Parties claiming animal will prove property and take her by paying for this ad.

Jack Greenlee, a former Harney county citizen but now living at Charleston, Tenn., has sent an order to Lunenburg Dalton & Co. for some "real overalls" as he says it is impossible to get anything that will wear down there. He adds that he certainly would appreciate a pair of good shoes too.

LADIES, ATTENTION! WE HAVE JUST RECEIVED A NICE LINE OF "ESKAY" KID GLOVES AND "AUTOCRAT" SUEDE GLOVES, IN WHITE, CREAM, PEARL, LIGHT TAN, DARK TAN AND BLACK, THE BUSY CORNER STORE.

The several committees have things about in readiness for the celebration on the 4th and visitors may expect a very enjoyable day. Heretofore the celebration has generally covered a period of three or four days but this year a program has been arranged for but one day and there will be some thing doing all the time.

Chas. H. Burggraf, the Albany architect, was here Thursday looking over the field for the purpose of familiarizing himself with conditions in order to draw plans for the new public school building to be erected in this city. Mr. Burggraf has many school buildings of his designs throughout the state and will submit plans for the building here. The board did not employ him for the purpose leaving the field open for others.

Miss Drusa Dodson arrived home Monday from Portland where she spent the winter studying elocution. She was accompanied in by Miss Marion Cummins, a niece of Chauncey Cummins of this city, who will spend the vacation period here. The young ladies gave a very successful entertainment at Vale while en route in and go to Drewsey for a recital on the 4th. Miss Drusa will give one number at the recital of Mrs. Harry McHose in the city on the 3rd. Later these talented young ladies will give an entertainment in Burns assisted by local talent. Miss Cummins is a fine high soprano singer and we look forward to a real treat.

MARRIED—At the family home near Lawen at noon Wednesday, June 28, Miss Mary Otley was married to Henry Sherburn, Rev. C. W. Holloman of the Baptist church performing the ceremony. The bride is the daughter of Mr. and Mrs. Fred Otley pioneers residents of this county. She is a fine young lady and highly esteemed by a large circle of friends. Mr. Sherburn has resided in the southern part of this county for some time. We understand they will make their home near the vicinity of Lawen. Rev. Holloman reports a pretty wedding attended by the immediate family and a few friends. A bounteous dinner followed the ceremony. Mr. and Mrs. Sherburn received some very valuable presents. The Times-Herald wishes them a prosperous and happy life.

PHARMACY No two people are alike and no two prescriptions are alike—That's why every prescription has to be treated in a separate and distinct manner. You get this individual treatment, moreover, you get the consideration and carefulness that should always be exercised where medicines are consumed and where health is at stake. Let us fill your prescription, you will be served exactly right in every way. The City Drug Store REED BROS., Proprietors

400 to 1000 Gallons Per Hour Plenty of Water Whenever and Wherever You Want It No trouble! No work! No pumping in the freezing cold! The Farm Pump Engine will provide all the water you need for the house, dairy, barn, feed lot, pasture—anywhere you want it. Works right outdoors in zero weather. Provides water at the right temperature—no ice-packed tanks or bothersome tank heaters. Costs less than a good windmill. Does ten times as much work. Saves two men's wages every day it runs and never attaches about long hours or "loafs" on the job. Attaches to Any Pump in 5 Minutes Fuller & Johnson Farm Pump Engine Ample Power for Small Machinery Has pulley for running any hand or foot-powered machinery. Helps the woman folk by turning the cream separator and churn, the washing machine and wringer, etc. Runs the corn sheller, fanning mill, feed mill, grindstone. Does most of the drudgery chores in half usual time. All ready for work—no extra to buy. Comes on its own base. No foundations or platforms needed. Four small bolts fasten it to any pump. No belts, shafts, arms, walking beams or anchor posts. Easily moved anywhere on a wheelbarrow. See the Engine at Work We have a Farm Pump Engine on exhibition in our show rooms. It is at work most all day doing the kind of work that is most treasured to the farmer. Bring in the family and let us show you how this Farm Pump Engine will do your hardest winter work at small cost. W. T. SMITH, Agent Burns, Ore.
