LISTEN!
 If broad-minded business men
 of wealth realize that life insur-
 ance is a sane and safe way to
 make provision for the future,
 if they recognize the fact that
 other forms of wealth may be in-
 accessible at the very moment
 when they are most in need, it
 behooves the rest of us to look to
 our duty in this regard. Oregon
 Life offer you the best contracts
 of life and investment insurance.
 You can have no more than two
 excuses for refusing to take in-
 surance. You haven't health or
 you do not love your family.
