Miss Lilah Buchanan, aged 11 years, was awarded the prize for the Lord Salisbury picture in the Homer Davenport drawing contest. There were several good drawings, among them being one by Alex Eggleston, Albert Swain, and Ormond Ausmus. The latter was exceptionally fine but considering the age of the contestants and conditions it was decided to award the prize to little Miss Buchanan. This week the picture is the Gladstone. The award for the Harriman caricature will be announced next week.

PURE GOLD

Did you know that a 20-year endowment policy with the Oregon Life is pure gold? Did you know that a 20-year endowment policy with the Oregon Life gives you a safe place to deposit money, pays your wife and babies the amount you carry in event of your death, or if you live pays the amount to you at the end of 20 years? Unless you have the books in the "old man" who carries the scythe, it would be well to look into this matter deeper. Good insurance is the surest deal on earth.
