Although we're somewhat behind the times in so far as knowing much about the outside world, the mails all being delayed from the big storms, Harney county people are happy. We've had most any kind of weather that could be handed out during the past week but the great amount of snow and rain has caused everybody to smile. We can put up with the inconvenience of delayed mail under the circumstances and are all ready to welcome more moisture for it means crops the coming season. The stockmen are well supplied with forage and can feed for an indefinite period, so let 'er snow.

Remember the big show Wednesday evening, Jan. 17. Everybody come. Something doing all the time. Orpheum.

Money to Loan at 5 per cent.

If you are needing a little loan, and do not care to pay more than 5 percent. The Oregon Life Insurance Co. has money to loan at that rate of interest and it is yours for the asking, provided, you are one of their policy holders and have been, for three continuous years. This is another one of the splendid features of the policies in this great company. Most of our brainy, business men, in America and abroad protect their own and their families interests, with an Old Line policy. Are you one of them? See EGLESTON, The Oregon Life Man.

EVIDENCE

The best evidence that this bank is giving satisfactory service to its clients; is the unprecedented number of new clients who have recently opened accounts here.

Many of these new accounts were opened at the recommendation of our old patrons who desired their friends to share in the conscientious service we are giving.

We have accommodations for many more, and our officers will be pleased to interview those who desire efficient co-operation.
