### BILL HANLEY AT CHURCH.

At the invitation of the Bible class and pastor, Bill Hanley gave a talk at the Presbyterian church last Tuesday evening, on his trip through the East with the Governor's Special which was arranged by Louis W Hill, of the Great Northern Railway, for the purpose of giving the people of the East an opportunity of getting first hand authentic information respecting the wonderful resources of the West awaiting development.

Mr. Hanley was with the special during almost the entire tour and made many observations.

Mr. Hanley was greeted by an overflowing house and a very enjoyable time was spent. Dr. L. E. Hibbard presided and Mr. Fellows opened the program with a finely rendered organ solo followed by an invocation by the Rev. Dr. Babbidge. The ladies' quartet, composed of Mrs. Gault, Mrs. Farre, Mrs. Gowan and Mrs. McHose, sang "Annie Laurie" which brought forth admiring praise. Charles and Roland Gowan sang a patriotic duet.

Dr. C. C. Babbidge introduced Mr. Hanley who then gave a half hour talk of the trip in an entertaining manner, expressing his belief that the result of the tour was of great benefit to the West and that satisfactory results would certainly follow. His observations convinced him of the necessity of the development of this vast territory for the benefit of mankind and that this will be accomplished in the immediate future.

His talk was punctuated with humorous incidents of the trip that made it very entertaining. Some of his friends suggested that even though Bill had been breivited "Colonel" it might be well to also extend the handle and add D. D since it didn't seem at all embarrassing to him to occupy the pulpit at the church.

### SUNDAY SCHOOL ELECTS OFFICERS.

The annual election of Sunday School officers for the ensuing year was held at the Presbyterian church last Sunday.

Superintendent—Harry W. McHose; Assistant Superintendent—A. M. Byrd; Superintendent of Primary Department and Cradle Roll—Mrs. Will King; Superintendent of Home Department—Mrs. C. C. Babbidge; Secretary—Miss Agnes Miller; Treasurer—Mrs. C. C. Babbidge; Librarian—Miss Helen Parrington; Chorister—Mrs. Will King; Organists—Misses Roberta Hibbard and Chespa King.

The teachers selected were Messrs. W. L. Blott and A. B. Whitney, Mesdames Blott, Geary, Loggan and Babbidge. Misses Ellis, Hodder and Egli.

### PREPARED TO CARE FOR TRAFFIC.

While absent Archie McGowan perfected the organization of the Burns Consolidated Auto Co. which will look after transportation between this city and Bend. Besides Mr. McGowan, Frank Dibble, John Collins, Jay Saltzman and J. H. Wenan are interested in the new company and they are equipping the line with high class autos of sufficient number to handle the business without delay.

A regular schedule will be maintained as soon as the affairs are gotten under way and the traveling public may be assured of every comfort and convenience possible. There will be no delays as they will have sufficient equipment to take care of the business and so arrange as to accommodate the public. Round trip tickets will be furnished and the autos will make connections with trains so there will be no delay.

Mr. McGowan found business prospects very bright during his visit to Portland and other points and says Harney county is being well advertised and discussed. He doesn't anticipate any particular rush here during the early spring but thinks there will be large numbers coming in all during the season and that it will increase rather than diminish as the construction work on the rail road progresses nearer to our county.

### "A CHEERFUL LIAR."

Tonawama Stock Co. gave another production last night to a good house. "A Cheerful Liar" has snap and was well received by those present. It is a comedy where every part has good lines and the cast last night seemed to make good as a whole. The makeups were exceptionally good.

Ora Hill demonstrated his popularity with the public when he was applauded upon coming before the footlights and sang two songs that were well received.

The next bill in which the Tonawama Stock Co. will appear is "The Merry Cobbler" in which C. A. Harlan plays the leading roll. It has a large cast, thirteen characters, and the addition to the cast side from the regular members of the company, have been carefully selected.

Had "The Merry Cobbler" been written with a special regard for the requirements of amateur players, it could not have been happier in its results. There is not a poor part in the piece, and it will please patrons by the simplicity of its story and the strong undercurrent of heart interest mingled with comedy low and high, light and broad. It will be produced Friday night, Feb. 23.

### Political Announcements.

### Oregon Life Maintains Its Wonderful Supremacy

On the first day of January, 1912, Oregon Life had \$5,217,000 insurance in force—every dollar of it was Oregon business; no other company did so much business in Oregon last year; Harney county furnished her share in 1911. But we are not satisfied and intend to double the production in 1912. If you are morally, physically, mentally and financially able to carry insurance we want your business.
