 is one of the greatest sires of  
 this age and many of his colts  
 are making very fast time on the  
 grand circuit. Horse men of  
 Harney County are fortunate in  
 having such a grand sire in this

 vantage of the opportunity to  
 mate with him.

 Wednesday, Rev. C. W. Holloman  
 accompanying the body. The  
 young man is survived by his  
 father and mother and two

 ed with her sons and will be join-

**OREGON PRIMARIES**

**Roosevelt Carries State and  
 Selling, the Senatorship**

Up until 1:30 o'clock this after-  
 noon no news of the primary  
 election over the state and dis-  
 trict had been received. Repre-  
 sentatives of the local telephone  
 company went out among the  
 public spirited citizens yesterday  
 evening and took up a liberal col-  
 lection for the purpose of getting  
 such news from over the state,  
 but so far as the Times-Herald  
 can find there has been no suc-  
 cess, even though the initiative  
 secured the desired compensation.

Positively nothing authentic  
 had been received at that hour,  
 of anything outside of a few lo-  
 cal precincts in this vicinity.

It is reported that Brooke for  
 district attorney had carried On-  
 tario solid. The others in the  
 race on the republican ticket are  
 reported as follows: Duncan as  
 carrying Vale solid and Marks of  
 Grant County as receiving a ma-  
 jority at Westfall in Malheur  
 county. The same report says  
 that Aker, democrat, was but 25  
 ahead of Vic Cozad in Malheur  
 county.

Another report states that  
 Stewart of Grant has a big lead  
 in that county over Miller for the  
 office of joint-senator.

The returns in this county are  
 coming in very slow, some pre-  
 cincts reporting only the vote on  
 some particular contestants. For  
 instance we have only the vote  
 of Comegys and Richardson can-  
 didates for sheriff on the demo-  
 cratic ticket from Harney, Hap-  
 py Valley and Catlow. The  
 vote on other offices were omitted  
 entirely.

As it looks now for county of-  
 ficers the following will be the  
 nominees: County Clerk, E. B.  
 Waters, republican, E. C. Eggle-  
 ston, democrat.

Sheriff, Sidney Comegys has a  
 lead of 17 over A. K. Richardson  
 on the democratic ticket with the  
 chances between them about  
 even, Austin Goodman, republi-  
 can.

Assessor, J. J. Donegan, republi-  
 can; C. E. Brittingham and  
 E. J. Catlow are close for the  
 democratic nomination with  
 chances favoring Brittingham.

Treasurer, Simon Lewis, demo-  
 cratic; R. A. Miller, republican.  
 Surveyor, Frank Gowan, republi-  
 can; C. E. Beery, democrat.

County Commissioner very  
 close on both tickets among the  
 contestants with chances favoring  
 Fred Peters on the republican  
 ticket and J. E. Sizemore on the  
 democratic.

Following shows the standing  
 of contestants in this county on  
 the principal offices where there  
 is competition for the nomina-  
 tion:

**BAD ON SHEEP MEN.**  
 The severe storms of the past  
 few days have been severe on  
 lambs. It is just lambing time  
 with the sheep men and the loss  
 has been very heavy.

The Times-Herald has been in-  
 formed that J. R. Jenkins 'phoned  
 in the other day he had lost 1200  
 lambs and his neighbors had  
 lost proportionately. This is a  
 serious set back to the wool in-  
 dustry of the country and will be  
 felt by a large number of people.  
 While the great amount of pre-  
 cipitation is very beneficial to the  
 farmers it is bad on the stock in-  
 dustry.

It is just learned that there is  
 a foot of snow at J. F. Mahon's  
 Anderson Valley ranch.

**JOHN MILTON HOFFEDITZ**  
 (COMMUNICATED)  
 On Thursday afternoon, April  
 11, 1912, occurred the sad death  
 of John Milton Hoffeditz, the be-  
 loved son of Mr. and Mrs. J. M.  
 Hoffeditz of Valley View.

The funeral service was held in  
 the school house Friday afternoon  
 conducted by A. B. Whitney Jr.  
 The little fellow was taken  
 sick the Sunday previous to his  
 death and at the time his illness  
 was thought to be of a very mild  
 form and not at all serious.

Shortly before he passed away  
 a complication of scarlet fever  
 and pneumonia set in and al-  
 though everything possible was  
 done that human hands and pro-  
 fessional skill could do it proved  
 of no avail.

If Johnny had lived until the  
 25th of this month he would have  
 been seven years old.

He was very much in love with  
 his school studies and very  
 prompt in his attendance. At  
 the close of the school session in  
 March his teacher presented him  
 with a prize, as he had not been  
 absent one day or missed a lesson  
 during the school year. He was  
 a member of the Valley View  
 Sunday school and rarely missed  
 a service.

The heart felt sympathy of the  
 whole community goes out to the  
 father, mother and sister in this  
 their hour of great trial and  
 bereavement.
