valuable tract of farm land in ang more than the houses have the state, and probably in the authorized the buyers to give whole country, lies near Beaver- and it will require a few sales to ton, in Washington. This fifteen establish the price, and after acre farm is beaver-dam land that the sales will be made. and has grown onions, valued at \$9,000 a year, for forty years. The tract has produced a total of thing over two hundred thousand approximately \$260,000. Onions pounds up to date, but there are yield 400 sacks per acre on this many who have not sheared and land and its richness seems mexhaustible, It is thought there is cool weather continues. - Argus. no other piece of land in the United States that can show a similar record.

will flock into Portland during all dealers. the second week in July.

Lebanon Commercial Club has NOTICE FOR PUBLICATION UNITED STATES LAND OFFICE, Rurns, Oregon, May 17, 1912

Notice is hereby given that Alfr d. B. Whitnes for a ween, Oregon, who, on Angust 30, 1910, made homestead entry No. 05022, for NES, section it. Township 24 S. Range 32 S. E. Williamette Neclodian, has filed notice of its owned to make Communication Proof, to establish claim to the land above described, before the Register and Receiver, at Burns, Oregon, on the 25rd day Williamette Valley people.

The Country Life movement throughout the state is making good. The idea is growing and it is expected to interest 75,000 children in the work. C. H. Lane, representing the Department of Agriculture, has been in giving practical talks on the subjects. It looks like the plan to Vinous Liquors in less quantities than make Oregon soil produce every-one gallon in Lake Precinct, Harney thing needed to feed Oregon peothing needed to feed Oregon peo- County, State of Oregon, for the period all of which fully appears in said comple will succeed.

NEW CROP FOR DRY LAND

Following up his bank's lead Alva Springer as a developer, in importing hogs (ieo. W. Cawifield and cattle for local farmers, C. Chester Keonn S. Hudson of the First National Tom Mortell has brought in a small amount of C. W. Glen Spanish peanuts with which ex- E. J. Allman periments will be made on dry I. Burnside

The ''peas'' come from Holly, H. H. Elliott Colo. In that vicinity they are grown on dry land with great A. E. Lynch profit, and with benefit to the J H. Henderson soil as well. In appearance they G M. Watson are about the same as ordinary J. M. Bunyard peanuts, though smaller. As food for cattle and hogs they are E. F. Haley said to be unexcelled, a 40 bushel Chas, Cleland to the acre yield being about the O H Spangler average, on ordinary dry land. Alfred Bergeron The tops or vines, will yield from A L. Jones two to six tons of fodder and are also fine as stock food.

The new product will grow on Sam Midwinter will apply to the above land fit for nothing else and is entitled court for such license on Wed highly recommended by Prof. needay the 3rd day of July, 1912. Cottrell of the Colorado Agricultural College at Collins, Colo. Farmers in the vicinity of Bend will be provided with small quantities of the seed for experimental purposes, by applying to Mr. Hudson. - Bend Bulletin.

THE BURNS-BEND ROAD.

The Bend Bulletin has some respecting a proposed change in the Burns-Bend road in which it Dated April 27, 1912. seems there is difference of opinion. Some want it changed so as to cut out that portion lying in Lake county where it seems the bad part is, but this would make such change as to effect deceased. All persons having claims many settlers now on the road, against said estate are hereby required Auto men want the road worked for their interest while the general settlement the method of Dated this 16th day of March, 1912. clearing out the brush to a width of 30 feet is better than throwing out the rocks, filling chuck holes and cutting down high centers.

Harney county's portion of this road is in fine condition, there-fore it is none of our fight. The of Stephen Lampshire deceased, Notice is hereby given to all persons having claims against the estate of Stephen Lampshire, deceased, to present the state of Stephen Lampshire, deceased, to present the state of Stephen Lampshire deceased. road is an important highway to sent the same properly verified within this section as most of the freight six months from date hereof to the un-Chicago, Colorado Springs, is being hauled in from that signed at his place of business at Burns, point, while the passenger traffic Oregon. toward the west practically all 26-30 comes by way of Bend. It would seem that if that territory wants NOTICE FOR PUBLICATION. to keep this trade it is necessary to make the road the best. The auto trucks are beginning to make very good time and at regular intervals except when the trucks go wrong. This seems to happen a little too frequently, however, and the wagon freighters are securing much freight. There

is a big lot of freight over there Children are to be interested in want it in and they are getting iness. Insure with the Reliable forest protection. Forestry offi- tired of waiting on false promises. ÆTNA and HARTFORD CO'S.
