HARNEY CO. FAIR A GRAND SUCCESS

(Concluded From First Page)

Teddy won with Brandy close, time 25. Third race was five-eighths with three starters: Seventy by Bedell; Jerusha by Caine; Hush by Mahon.

Although no entries had been made for the bucking contest and the weather was most disagreeable, the people were treated to two exhibitions of the riders being Ross Dollarhide and Claude Masters.

The second days racing cards were very good. The first being a three eighths mile dash in which there were three starters: Red Wings, by Caine; Teddy Roosevelt by Cavender and Princes, by Howard.

There were five fine horses to face the starter in the half mile dash. Maine, by Riley; Seventy, by Bedell; Brandy by Caine; Blue Mt. Belle by Parker, and Hush by Mahon.

The pace for three-year-olds had but two starters, Doc Jones, a colt of P. G. Smith's and a very promising filly belonging to E. A. Murphy.

Thursday was another bad, windy day but the attendance was better than the former days and the program very good.

The first race was a half mile for saddle horses with Bolly B, by Harry Buck; Red by Allison, and Red Bird, by Clemens, entered.

The three-eighths mile dash was a pretty race with Rowdy, Teddy Roosevelt and Red Wings starting. Teddy won, Red Wings second. Time 36.

The five-eighths dash did not fill and a special for named horses four and a half furlongs was made up with Blue Mt. Belle, by Parker, Babe by Starr, Blondy by Riley, and Pedro by Hanley.

The weather was so bad yesterday the program for the afternoon was declared off. The wind blew and the dust fogged.

Prof. H. D. Scudder, L. R. Breithaupt and Jay C. Leedy were the judges of products in the pavilion and they spent most all day yesterday making the awards.

Chronic Dyspepsia. The following unsolicited testimony should certainly be sufficient to give hope and courage to persons afflicted with chronic dyspepsia: "I have been a chronic dyspeptic for year, and of all the medicine I have taken, Chamberlain's Tablets have done me more good than anything else."

New Goods! New System!

Low Prices!

Having cut out the long credit system, we are prepared to give prices which will pay you to buy at home. Remember, when you buy at home you create a market for what you have to sell, no matter what it consists of, whether it be farm products, labor or legal advise, you don't help your own community, when you go outside to trade; you don't help the farmers when you buy outside flour. Last year many people sent away and went outside to trade. What is the result? The wheels of industry have been idle, no building, no business, no work, no market. Heavy crops are being harvested and still a large portion of the old crop is on hand. It is now time for the people to get together if they want prosperity at home. Trade at our place if you can; if not trade with our competitor; but Trade at Home
