Tonawama Pictures For Next Week

A full week of pictures have been arranged for Tonawama beginning on Tuesday, the 8th, and continuing including Monday night, the 14. A fine program has just been arranged which will please the increasing patronage of the house. New pictures each night—an entire change of program. The Base Ball Games

The base ball games between Sumpter and Burns teams resulted finally in two games for each team. The first game was won by Burns as reported in our last issue. The one on Saturday was taken by Sumpter by a score of 4 to 3. On Sunday there was a big attendance and the teams started to play a good game but along toward the last Burns got to swatting it about as they pleased and run the score up to a regular slaughter.

Another game was played on Monday, which was a special not included in the series, but was gotten up by some sports who were not satisfied with the result. Burns having won two of the three games. This was won by Sumpter by a good margin—we did not get the exact score.

There is some talk of the home team playing a return engagement with Prinville, perhaps during the week of the county fair at that place. Prinville papers report that their team wants a return game and are planning ways and means to get our boys over there.
