It is foolish to turn down a good proposition that may appear on the ballot thru personal prejudice. Right will prevail eventually and there is no reason to stop it because you are a little piqued about something.

Now that election time is drawing near voters should begin to study the situation and make their selections for officers as well as their decision on the initiative and referendum bills on the ballot.

The old hens seem to be on a strike to a certain extent as eggs are rather scarce and sell for a good figure.

Refuge For China Pheasants

Game Warden Mace has succeeded in securing a big territory as a refuge for the China pheasants recently shipped in here by the state at the solicitation of the Rod and Gun Club.

He has succeeded in securing all the territory from his place just across Silvie's River east of Burns to the upper Mace place, formerly the Blume place, some 20 miles up the river, reserved for the protection of such birds for a term of years and the farmers will not only protect them, preventing any shooting on the lands, but will also care for the birds in the winter when it is seen they need shelter and feed.

Next season will witness a far greater activity in securing more game birds and fish than the present has been, thus it will be seen that Harney county is going to continue in the front rank of all the west in the matter of game.

Tonawama Stock Co. Re-organized.

The Tonawama Stock Co., of this city has reorganized for the winter season with a full cast of players, sufficient to produce the most popular plays.

Following are the officers elected: Carl W. Welker, Manager and director, with Leila Egli as Treasurer.

The manager is dealing direct with one of the largest manuscript firms in the east, and the opening bill "Peaceful Valley," one of Sol Smith Russell's most popular plays, has already been selected. This play made Mr. Russell the most popular comedian in the United States.

Such plays as "St. Elmo," "Grainstock," "The Barrier," "Thelma," "Charity Ball," etc are all arranged for the winter and players of Burns can look forward to plays that will be up to date and worth while as rehearsing will start at once.

The management is in touch with all the latest music and songs, and with specialties and

the Tonawama Orchestra, Tonawama will be one of the most popular play houses in Eastern Oregon.

There are thirteen members in the company this year, some of last years company and several new faces will be seen for first time before the foot lights of Burns. The opening bill "Peaceful Valley" with elaborate stage setting and newly painted scenery will be put on the middle of November followed by one show every two weeks. Don't miss the opening night.

Successful Teachers' Institute.

The Institute held this week was one of the most profitable ones ever held in the county. There was practically a full attendance of the teachers of the county and the several instructors here from outside points were proficient in every respect, giving the local instructors some good advice and help.

The unfortunate accident which prevented State Supt. Alderman being here to take part was greatly regretted by all and the teachers sent him a telegram expressing sympathy and hope for speedy recovery. The four instructors who did arrive did splendid work and there was not a dull hour during the entire session.

Space forbids a detailed account of these very entertaining and profitable lectures, but every one who failed to hear them missed a literary treat.

Prof. Jokisch of the high school gave a good talk on the responsibility of the teacher for the moral development of the pupil. In all it was a very successful institute that will result in much good to the schools of Harney county.

Popular Candidate Spoke In Burns Last Night

Dr. Harry Lane of Portland, democratic candidate for United States Senator, spoke at the court house last night to a very large crowd and made a very favorable impression. Dr. Lane is a very popular man in this state and has held public positions of trust several times. He is a sincere man who makes a good talk and his friends feel that with three republicans in the race for the place he will be the choice of the voters of Oregon for the office to which he aspires.

It was one of the largest political gatherings assembled in this city during the present campaign, and those attending were well repaid. Judge Biggs made an excellent address and was followed by J. F. Mahon, democratic candidate for state senator in this district. Jim made a decided hit and surprised his friends by making a fine talk. Dr. Lane left today accompanied by Mr. Mahon for Malheur county points and he will go from there to Portland where he will likely remain until election time, as it seems that place will be the particular battle ground of the campaign for U. S. Senator.

Grand Matron Visits Chapter.

Worthy Grand Matron Margaret Hayter of the Eastern Star visited the local Chapter in this city on Monday night and it was a very enjoyable and profitable occasion for all who attended. There were two candidates initiated, Mr. and Mrs. Claude Smyth, and after the work Mrs. Hayter complimented the Chapter on its excellence in the work and also gave the members some good advice and instructions. After the lodge work a dainty banquet was served and a general social time had. There were a few visitors from other Chapters present.

During her stay in this city Mrs. Hayter was a guest at the home of Mr. and Mrs. Julian Byrd, she being an old time acquaintance of the family, her home being in Dallas.

B. F. Stillson and family arrived here last night from Eugene where they had been residing for the past two years or more. They have come back to stay.

Pay Premiums Next Week.

The state appropriation for the payment of premiums at the fair just closed has been delayed owing to the bond going astray and a new one having to be forwarded. The matter has been attended to and the money should arrive here the first of next week, when the secretary will be ready to pay off the premiums.

Several articles were left at the pavilion and have been brought to The Times-Herald office where owners may come and get them, also several ribbons which have been labeled by the attendants are at the same place.

One truck load of exhibits were shipped out this week that will go to various points to advertise the resources of this country, at least two tons of the products exhibited at the fair have been used for this purpose. This shipment did not include much of the root crops as most of those on exhibit were either badly wilted or not mature enough to last, therefore a fresh supply will be gathered later to be sent to the Portland land show and replenish other exhibits where they can be reached conveniently and in time for the shows.

The Shooting Tournament

Local Gun Club men were disappointed in not having any outside teams here last Saturday to compete with them in the shooting tournament, but they went out and had some fun among themselves. They spent over half a day at the traps and made some of the poorest scores yet recorded by the local shooters. In fact it was so poor they have purposely lost the score book in order to prevent The Times-Herald man from publishing them. That is not the excuse given, but he is positive such is the case. Frank Triske made the highest score, but aside from this we are unable to get any other information.

Avoid Sedative Cough Medicines.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.

COMMUNICATION

Editor The Times-Herald:— Some time ago we promised the voters of Harney county that whenever it became an established fact, that Mr. A. K. Richardson had yielded to the wishes of the Drewsey Livestock Association, and his numerous friends, that we would present him to the voters of Harney county as an independent candidate for sheriff and give you our reasons for so doing. We have nothing against any of the other nominees for sheriff. As far as we know they are honorable men. Our reasons for putting Mr. Richardson out are as follows:

1st. We contend that a sheriff must be born a sheriff, or he will not be a success.

2nd. His past record will bear us out, that he is a natural born sheriff.

3rd. He has put more outlaws behind the bars during his term of office than all the sheriffs since the beginning of the county.

4th. We are inviting immigration and we should have a sheriff with a state wide reputation so they will know what class of people we are inviting, and that it is no place for a crook to operate.

5th. Should a new man be elected that was equally as good as he, the bars would be left down till he built up a reputation and by that time the same old cry would go out "He has had the office long enough, pass it on to the next."

6th. Mr. Richardson is better qualified to fill the office than he ever was.

Viewing it from a fair and impartial standpoint, is there any reason for making a change in the sheriff's office.

Low Prices!

Having cut out the long credit system, we are prepared to give prices which will pay you to buy at home. Remember, when you buy at home you create a market for what you have to sell, no matter what it consists of, whether it be farm products, labor or legal advice, you don't help your own community, when you go outside to trade; you don't help the farmers when you buy outside flour. Last year many people sent away and went outside to trade. What is the result? The wheels of industry have been idle, no building, no business, no work, no market. Heavy crops are being harvested and still a large portion of the old crop is on hand. It is now time for the people to get together if they want prosperity at home.
