BURNS COMMERCIAL CLUB ELECTS.

The meeting at the Masonic hall last night for the purpose of reorganizing the Commercial Club was quite well attended and those present showed a disposition to help make the organization a good live one that will accomplish much toward advancing the interests of Burns and Harney county.

J. J. Donegan was elected president; Ben Brown, vice president; J. E. Loggan, secretary; Geo. Fry, treasurer. G. W. Young, C. F. McKinney and J. M. Dalton were elected as members of the executive committee to serve with the president and secretary.

The president appointed I. Schwartz, J. L. Gault, J. C. Welcome Jr., A. W. Gowan and Julian Byrd a finance committee.

Several gave good talks that brought out the necessity of organization and since all realize this an important time for the business interests of Burns to accomplish some good there is no doubt of the business men coming to the support of the club so long as it works along conservative lines and really works to the best interest of the community in a broad way. Among those who made good talks were J. W. A. Myers of West Point, Ky., who is here looking for a location. He put forward the necessity of organization, as did also P. J. Gallagher, Dr. Standard, Frank Davey and others.

I. Schwartz suggested that the club take up the proposition of a big 4th of July celebration and acting upon this suggestion the chair appointed J. M. Dalton, Dell Dibble and Geo. Fry a committee to see what funds could be raised and the sentiment of the business men toward such a celebration and they are to report to the club next Tuesday evening. The horsemen have already made preparations for races and it was reported the base ball boys expect to have an outside team here to play ball.

The secretary reported having received a letter stating that President Farrell of the O. W. B. & N. Co., would visit this section in the near future and the club will make preparations to have the gentleman meet with the business men of Burns. The real motive that prompted the reorganization of the club at this time and the desire to put it in good working order was the railroad situation. Burns is going to have a railroad to the town at the earliest possible moment and it is therefore going to be so organized that the business interests will be in readiness to take up the proposition as soon as it can be ascertained what the railroad people are going to do. This is a matter of vital importance, therefore the people of Burns are going to be found "on the job" at any time.

The club will hold another meeting next Tuesday evening at the Masonic hall at which time definite policies will be outlined and the several committees will take up with the executive board such matters as will be most urgent and important.

To Begin Work On Light Plant.

James D. Fellows, who with others started a project on Emigrant Creek some time ago to furnish power for electric lights for Burns, arrived here Thursday evening. He has come to begin operations on the project in the immediate future. He will return to Portland in a few days after a visit to the power site to ascertain what is necessary to get to work, and place such data and information before his associates in Portland, then he will return to take up the work proper. This undertaking has been delayed from one cause or another for some time, but Mr. Fellows states that all obstacles have been removed and the plant will be installed without delay as he has the necessary capital to go ahead.

There is some talk of another power line being put in from the Malheur and it is possible that the two projects may be merged and only one line put into Burns as the field will not justify competing lines. This, however, is merely speculative so far as The Times-Herald knows. It is nevertheless gratifying to learn that we are to have service as we have been without lights for a long period and the people of this city will welcome a change.

Mothers' Day Program at Baptist Church.

Mother's Day will be celebrated at the Baptist Church with a special Union service Sunday morning, May 11, at 11 a. m. The program for the service follows:

They will furnish favors of white ribbon bows, the emblem of purity, for this service. These will be pinned on all those who attend by the ushers - four young ladies of the church.

County Court.

County court has been in session since last Wednesday but little has been accomplished in the way of making news. While the judge and commissioners have been busy, much time has been devoted to the high school and boundary boards. A remonstrance was filed

against the petition of Geo. Atwell for a license in Lawen precinct and the court refused to issue the license.

Reports of the road masters were received and accepted. The petitions of Frank Thompson, Thos. Bain, Chas. Books, D. V. Wilfong, Geo. Rayercraft and W. R. Byram, each with several others asking for county roads were favorably acted upon and the several roads ordered viewed.

Today the court is working on matters pertaining to the extension work of the agricultural college which a law passed by the last legislature made possible and it is desired that Harney county take advantage of its provisions. There is also an amount of business in settling claims in connection with the recent term of circuit court therefore it is not likely the court will adjourn before the fore part of next week.

High School Teachers Elected

The Harney county high school board was in session during the week and yesterday completed the election of teachers for the coming year. Two changes have been made, H. K. Shirk, formerly of the high school at Enterprise, Wallowa county, was elected principal and Mary Forsythe, of Riddle, was elected to take the place of Miss Witzell. Miss Josephine Locher was re-elected and J. C. Leedy, instructor in agriculture and Miss Zoe Irwin, instructor in domestic, were re-elected.

More Game Birds if We Want Them.

Game Warden Mace received a letter from the office of the State Game Warden yesterday stating they had a number of young game birds at the State Farm that will soon be ready for distribution in localities where people would take an interest in their protection and care. These include China, Reeves, Golden and Silver pheasants which will be shipped when five weeks old together with the hen mother in coops. They must be cared for until large enough to liberate then the coop and mother hen are to be returned to the farm. These shipments are made entirely at the expense of the state and all we have to do is secure proper care of the birds until they are liberated and return the old hen and coops.

The Times Herald understands from this letter that these birds may be liberated any place in the country and are not restricted to a certain territory as those shipped in last summer. The Gun Club will take the matter up with farmers who will co-operate and no doubt several coops may be cared for in this county. Any one interested should address the secretary of the club or write Mr. Mace. This should be done without delay.

Horse Racing July 4.

Jack Johnson, the horse trainer at the fair grounds, has taken up the proposition of some races here on July 4 and 5 and has received sufficient encouragement to assure a good meet with ample purses to attract horses. There will be harness and running races for both days and of course this will include some saddle horse races for the boys in this county who have some good saddle animals. The program will be out shortly, just as soon as arrangements are completed.

The Rod & Gun Club will also have some sport during that time which will be an additional attraction toward celebrating. The Club plans to have some trap shooting but whether it will be confined to local shots or an invitation extended to some outside club to visit us has not been determined.

W. H. Robins, who was in town this week, told some of the Gun Club members that the people of his neighborhood contemplate a picnic during the summer and he hoped it could be arranged on dates that would permit the Club coming over with the traps and have some sport. His suggestion met with hearty approval at a meeting of the Club held Thursday evening.

James Wesley Miller.

The following facts of the life of James Wesley Miller, the old pioneer who died at Drewsey last Monday, were received by this office by communication yesterday:

Born in Des Moines, Iowa, Jan. 12, 1844, died May 5, 1913, after an illness of many months. He was the father of 10 children, of whom survive him: Mrs. Rosa

Bohna and Ray Miller of Canada; Mrs. Emma Bohna of Vale, Mrs. Lulu McMullen, J. H. Miller and W. W. Miller of Drewsey. Deceased was one of the best known men of Harney county and his death brought genuine grief to many.

Land Opened to Entry.

The following townships have been surveyed, and the official plats of survey will be filed in the land office June 16, 1913: Tp. 39 S., R. 30 E., Tp. 39 S., R. 31 E., Tp. 40 S., R. 32 E., Tp. 40 S., R. 33 E., Tp. 40 S., R. 34 E.; Tp. 41 S., R. 31 E.; Tp. 41 S., R. 32 E. The land office will be prepared to receive applications for the entry of lands in the above named townships on and after the 16th day of June, 1913.

Mrs. J. W. Geary and Miss Helene Swain have been doing the grading in the eighth grade examinations held this week.

There were 11 pupils from the public school who took the examination.

The baseball boys contemplate purchasing new ball grounds from the Oregon & Western Colonization Co. in the tract recently platted north of town. The boys were out the other day and looked at it.

Frank Johnson arrived last evening from Brookings where he had met W. G. Woberton, J. E. Hudson and son F. L., all of Washington, L. L. King of Nebraska and L. W. Sheneff of Indiana, all of whom are looking for land. The party was taken out in two automobiles this morning for a tour of the valley.

J. W. A. Myers and E. Wilson were again in town this week, having traveled over the greater part of this county looking for the best investments. These gentlemen are from Kentucky and Mr. Myers says they are going to Central Oregon and desire to make a thorough examination of the entire section before making a selection. They went out to the Iron Mountain section this morning and will return here the fore part of next week.
