Assist. Secy. McConnell of the Fair Association and Frank Johnson of the Oregon & Western Colonization Co., have been quite busy the past two days in the field selecting exhibits for the fair. They make trips out in Mr. Johnson's car and thus cover the territory much quicker than by team. The large room in the rear of the Colonization and P. S. Weittenhiller offices has been made a store room for exhibits and those who have displays ready to bring in may store them there where they will be properly tagged and cared for until fair time.

Frederick C. Venator of Bakersfield Cal., was accidentally killed last week when his automobile was struck by the Southern Pacific northbound flyer near Tipton. Deceased was a son of Mrs. Eliza Venator, and a brother of Attorney J. D. Venator and Mrs. L. Vanderpool of Lakeview. He was 45 years old and is survived by a wife and family. He had been in the cattle business in California for the past twenty years and reputed to be very well to do. He was president of the V7 Cattle Company and associated with C. C. Cox. The remains were interred at Bakersfield.—Lakeview Examiner. Deceased was a brother to A. and Ira Venator, well known pioneer stockmen of this county.

Messrs. McConnell and Frank Johnson are gathering quite a nice lot of exhibits for the fair, but it will be impossible for them to cover the entire country as the croos are being harvested rapidly and the territory is too large to cover. Today there are two autos out taking in the territory toward Crow Camp and around by Harney. Exhibitors are invited to bring in their displays at any time and leave them at the Colonization Co. or P. S. Weittenhiller offices, as the big room in the rear is being used to store them and they will be properly labeled and cared for. It is too much to expect the fair board to go out and gather all the exhibits, but them in shape and the producer get a nice premium—bring in your own displays.

"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. For sale by all dealers.
