Two-fold Object This Advertisement

We have two objects in view in this advertisement—the first is to inform you that this store is teeming with a full stock of fall goods in every line of merchandise that belongs to this business, and to information so interesting that you may be induced to look up the items that engage you most.

Our other object is to plant the germ of confidence in your heart of hearts, confidence in this store's willingness to serve you fairly, even generously. There is no question of its ability. Fall styles in merchandise have no more thorough nor lavish equipment than our show room and counters, at your disposal.

Be sure and get our prices on any goods you need before sending off or buying elsewhere.

Let us figure with you on your winter supplies.

Special program of pictures tonight at Tonawama for the school children. "Yellow Stone National Park" is one of the particularly interesting scenic reels. "Rare Specimens and Old Friends" at N. Y. Zoological Garden" is another and "French Naval Maneuvers—Chaffinch and family," a split reel, makes a third one. This program was asked for by one of the teachers in the public school. Usual price.

Dr. Carl Griffith was called to Marion county by a telegram announcing the death of his father, L. C. Griffith, at the family home at Macleay, on Tuesday. The deceased was 84 years old and his death was rather sudden. Dr. Griffith not having been apprised of his illness and was therefore somewhat shocked when he received a telegram announcing his death. The doctor went out Thursday morning and stated to a representative of The Times-Herald that he would return in about ten days, or as soon as he can straighten up the affairs of his late father. Dr. Griffith has the sympathy of many friends in this section in his bereavement.

E. N. Nelson is mourning the loss of a very long friend—his old saddle horse. The animal had been the property of Mr. Nelson for many years and he had become quite attached to him. The other day he had been using the horse and just had turned him out to get water with the intention of putting him in the barn, but the animal suddenly fell after coming out from the river where he had been drinking and with Mr. Nelson's aid he got up again but immediately fell again and died.

Always ready for job printing.
If it isn't Eastman's it isn't a Kodak.
