and fuel were contributed by

lights by the Light Company,

State Tax to be High.

County Court has been in ses-
sion for a day or two, the busi-
ness that brought the court to-
gether being the tax levy for the
coming year but they had not
made any up to this morning.
The court must wait until the
State Tax Commission has made
a report and this had not been
received this morning.

According to newspaper re-
ports the state levy will be at
least 5 mills, much larger than
it has been for some time. With
the necessary levy to take care
of the county affairs, road,
school, high school, etc., it is
going to be a higher levy this
year than in the past.

California Woman Seriously Alarmed.

"A short time ago I contracted
a severe cold which settled on
my lungs and caused me a great
deal of annoyance. I would have
been so sore and inflamed I be-
gan to be seriously alarmed. A
friend recommended Chamber-
lain's Cough Remedy, saying she
had used it for years. I bought
a bottle and it relieved my cough
the first night, and in a week I
was rid of the cold and soreness
of my lungs," writes Miss Marie
