John Collins came in from Bend the first of this week with an auto load of passengers and states that it will be only a few days before the roads will be in very good shape for travel.

Hon. Frank Davey has announced as a candidate for joint representative for this and Malheur counties in the legislature. Having served in that body before, as speaker one session, he is in a position to make himself felt in the legislative hall. It isn't likely Mr. Davey will be opposed in the primary by any other candidate in his party.

Austin Goodman has yielded to the solicitation of friends and has announced his candidacy for the office of sheriff. Austin was his party's nominee at the last general election for this place. He is well known to the people of this county where he has resided practically all his life. He is a straightforward man of good qualities and would make a good officer.

Married—Wednesday evening in this city, at the Summit Hotel, Mr. John B. Wise and Miss Lucile Lawler, both of Catlow Valley, Rev. Dr. Benson of the Presbyterian church officiating. Mr. Wise is a brother to Pearl Wise who is quite well known here. The Times-Herald understands they will make their home in Catlow. We extend our congratulations and best wishes.

It is gratifying to the many friends of Sheriff Richardson to learn that he has yielded to their wishes to again seek the office he has so ably filled for the past few years and his announcement appears in this issue. Mr. Richardson has made one of the best officers Harney county ever had and his support is not confined to any one political party. There is no doubt of his being the nominee of his party and it is confidently believed he will again be chosen to fill the office.

While it Lasts.
The Experiment Station will sell a limited amount of the following—highly recommended grains—in small quantities to each purchaser.

Swan-neck barley: 50 lbs or less at 3c (This was the highest yielding barley out of 29 varieties tried on the Station last year, shatters very little and is of good quality.)

Sixty Day Oats: 100 lbs or less at 4c (This was third highest in yield of 15 varieties on the Station last year. It is the earliest high yielding oat known and contains ten or fifteen per cent more kernel per unit of weight than ordinary oats.)

Shadland Climax Oats: 200 lbs or less at 2 1/2c (A good yielder but two or three weeks later than the Sixty Day.)

Address your communications to The Experiment Station, Orders will be honored in the order they are received.

Stock taken to pasture during the season. Address, James H. Stewart, Burns, Oregon. 19-21.

High School Play Success.

"The Pennant," a mirthful operetta was produced by the high school students last night at Tonawama in a very creditable manner, especially under the circumstances and disadvantages under which the production was staged. Several of the original cast dropped out during rehearsals and also the accompanist, but they were determined to give the operetta and some of the boys who never pretended to sing took part and they got away with them in such shape as was most convincing.

This play was cast and staged entirely within the student body without any musical director and was therefore a credit to the spirit of the school. Each character played the part the best they could and those understanding the circumstances were more than pleased with the result.

The receipts were even greater than they had hoped for and sufficient was realized after all expenses were paid to purchase the Victrola, also a handsome record cabinet and several fine records. The students are well pleased with the patronage accorded them and the praise of their many friends in complimenting them on the success of the production.

After the play the students enjoyed a season of dancing which was followed by refreshments.

Additional Locals.
The present corps of teachers in the high school have been re-elected for the coming year. The school has prospered well during the year coming to a close and the teachers have the confidence and good will of the students, thus insuring progressive work next year.

M. R. Biggs returned the first of the week from Portland where he took 70 head of beef cattle. It happened to strike the day which had the largest run of cattle in the history of the Portland Stock Yards. Naturally prices came off but soon regained their former level. The best steers sold at \$7.65 throughout the week. —Prineville Journal.

Mrs. H. C. Smith, James McGowan and Archie McGowan were business to a large company of their lady friends on Tuesday afternoon at the home of the former. Five hundred was included and there were 15 tables occupied. The high scores going to Mesdames Wm. Miller, Dr. Ellis Byrd, Currie Smith, C. M. Franklin, Miss Martha Hanley, Mrs. L. M. Brown, who awarded the consolation. The home was tastefully decorated with green and white. Refreshments were served. The ladies all expressed their appreciation for a most enjoyable afternoon.

A Sad Death.

Mrs. Mabel Hembree, wife of G. L. Hembree, the Riley merchant, died early yesterday morning at her home from the result of a hemorrhage on the brain. She arose with no complaint of illness Wednesday morning and started to the kitchen to prepare the morning meal when she was seized suddenly with a severe pain in the head and had to be helped to her bed where she lapsed, almost immediately into unconsciousness after only a few words to her husband, complete paralysis followed. Dr. Griffith was immediately called from this city and stayed with the patient constantly until Thursday noon but she did not recover consciousness. The doctor thought however, at that time he could detect signs of improvement but she died the following morning.

Mrs. Hembree had resided on Silver Creek since childhood and was a daughter of W. L. Best. She was 25 years old last November and her death was a very sudden and painful shock to her many friends and relatives as she had always enjoyed robust health. She was married to G. L. Hembree eight years ago. She is survived by her husband, father and mother, one brother and one sister.

The funeral will be held Monday morning at 10 o'clock from the Odd Fellows Hall, Rev. Dr. Benson, pastor of the Presbyterian church will conduct the service.
