Concert Tonight.

The appearance of George Wilber Reed in concert tonight at Tonawama is looked forward to with pleasure by music lovers of this vicinity. The advance sale of seats is an indication of the appreciation shown the distinguished tenor. Mr. Reed spent 15 years abroad and has taken the title rolls in 23 Grand Operas and numerous oratorios besides a number of concerts in England and Germany. He has been in Portland during the past winter as soloist in both the Apollo and Orpheus Clubs. Mrs. J. L. Gault studied with Mr. Reed in Portland and she will be heard for the first time tonight since her return.

The artists who sing tonight will insist upon absolute quietness during the rendering of the program and late comers will not be permitted to take their seats during a number. Program begins at 8:30.

High School Ball Team Fares Better at Prineville

The high school ball team returned from Prineville Sunday evening and report better luck than on the home diamond. The three games played at Prineville were better exhibitions and our team seemed much better than in the contest the previous week. Prineville took the first game the score being 16 to 8; the second game was a fine contest, there being 13 innings played. The score was tied 3 to 3 up to that inning and Burns made a run in the first half but Prineville run in two, thus winning. Burns won the last game 8 to 5.

The home boys were well entertained by the Prineville boys and the best of feeling prevailed throughout the series.

The Clyde Gibbons saw mill on Silver Creek, formerly the Frank Dibble mill, was burned Sunday, a quantity of lumber was destroyed together with the mill and part of the machinery damaged. Mr. Gibbons states the loss is in the neighborhood of \$2000 with no insurance. He is undecided as to whether he will rebuild at present or not.
