The Times-Herald is pleased to note that a petition asking the city council to put the proposition of bonding for water and sewer up to a vote has met with such universal approval. We understand but one or two of our citizens refused to sign it and one of these because it didn't include a suggestion as to a municipal light plant. However this petition is only a suggestion to the city authorities to but the bonding proposition to a vote. The matter of a light plant in connection may come up at that time if it is considered advisable.

Through lack of concerted action Burns is not accomplishing things that are of considerable importance not only to the town but the entire country as well. If it is a fact that the railroad is to be extended into the Valley at once the business men of this place should get together on matters that are of vital interest to the town and community. We all have our individual opinion about matters but unless we get together we shall accomplish but little.

One man predicts that grain is going to be worth 2 cents a pound at threshing time this season. Is that what the outside farmer is going to get? Note the papers. The farmer of this section may have some things to contend with that the fellow hasn't who is close to market, but he certainly has an advantage in prices over the man who has to compete with the world market.

Additional Locals.

The alfalfa crop is being harvested.

We're all going to be farmers tomorrow and go out to the Experiment Station—if it doesn't rain.

A short auto trip out into the country in this vicinity shows crops looking well but with few exceptions.

County court convened Wednesday and has been occupied since with principally road matters. A liquor license was granted Sid Comegys at Diamond. The entire board is present, Judge Thompson having just arrived home from the railroad in time to come in for court duty.

A marriage license was issued the 2nd to Nollie Reed and Miss Louel Smith, both of this city. These young people will be married Monday evening at the home of the bride's parents. Invitations were issued some time ago. These young people have resided in Burns practically all their lives and are very popular. The bride is an accomplished musician who has delighted her friends on many occasions by her sweet singing. After a brief honeymoon the newly-weds will be at home to their friends in Burns.

ADDITIONAL LOCALS.

Karl Horstmann was in the city yesterday.

Mrs. J. W. Biggs and the children returned home the forepart of this week from a visit with Mrs. Marsden and other relatives in Bear Valley.

Mr. and Mrs. Ernest Musick, Mrs. A. C. Welcome and Regina Schwartz expect to leave Monday for a brief visit to outside points. The entire party will likely go to Portland and possibly spend a time at the coast before returning.

Claude Schug and Geo. Hall came up from their homes near Voltag yesterday and will take in the celebration. The boys are on their way to the coast where they may remain for an indefinite time provided they find it to their liking and secure employment.

The county clerk issued a marriage license on the first to Judd Wise and Miss Julia McKenzie. These young people are residents of the Narrows section, Miss McKenzie being the daughter of A. McKenzie one of the pioneers of this county. She is a very attractive young lady and has many friends who join The Times-Herald in extending best-wishes.

Lee Thornburg and wife and little daughter came down from their mountain home Sunday for medical treatment for Lee who was suffering from a very aggravating carbuncle that had formed near his temple. It had refused to come to a "head" on the outside but insisted on going in and for a time his condition caused alarm. He is much improved, however, and out of danger.

The Registered Clyde Stallion, George Chamberlain, is making the stand this season at the Star barn in Burns. He is a well known horse, having been on the Levens ranch for several years. He is a native son, weighs 1900, and a good breeder. Terms \$12.50 for season; \$15 return privilege, \$20 to insure.—Chas. Wilson. 27

A Washington dispatch says Secretary of Agricultural Hous-ton informs Senator Chamberlain it is impracticable to make the open season in Harney county for migratory birds open September 1 instead of October 1. The rule was fixed on the advice of the fish and game commission. Nothing can be done this year for a single county, but a different date might be fixed for the whole state if the fish and game commission recommends.

Miss Louel Smith was the guest of honor at two social functions this week, the first on Monday evening when the Eastern Star had an informal meeting and passed a pleasant social evening with refreshments. The Star presented her with a handsome library table as a token of esteem in honor of her approaching marriage. On Thursday afternoon Mrs. J. L. Gault gave a tea in her honor, the guests being members of the Treble Clef Club a musical organization of which Miss Smith is a member. Both were very pleasant entertainments and those present report a fine time.

THE CELEBRATION.

The celebration festivities began Thursday afternoon with some races at the fair grounds. There were not many people out to see them but a larger crowd was out yesterday afternoon when the program was much better. Bucking contests, auto races, several saddle horse races Indian pony race with squaws to ride, etc.

The results of Thursday, a races were: Saddle race won by Rowdy, Neil Culver's horse; Flute, Dick Hayes' horse second. Two other horses were stated. Ed Goodman won the pony race with Bill Young's pony second, there were four entries in this race also. The mile Indian pony race was novel as usual with a good field.

The program today covers all day with an auto parade at 10 o'clock headed by the band. The parade will likely form on a side street and march down the full length of main and back to Tonawama where the exercises will be held. Capt. A. W. Gow-an is marshal and will conduct the parade. It is hoped to have a large number of decorated autos in the parade as there are prizes for the four best ones.

M. A. Biggs is president of the day and Rev. Dr. Benson will deliver the oration. Music by a big chorus choir, Mrs. Dodge's orchestra of children and the band.

A base ball game between married men and single men will come off at the grounds at 2 o'clock and following this there will be sports on the streets including foot races, between white boys and Indian boys, sack race, three legged race, etc.

In the evening Tonawama will show some good pictures including one reel of the 1914 Rose Festival at Portland.

There are not many to celebrate in Burns this year on account of many of our own citizens going to other points to take part in the celebrations. However, those who are here seem to be enjoying the season of festivities.

To the Democratic Voters

I wish to thank the voters who supported me at the late primary election and ask that I may receive the same consideration from them at the general election in November.

After a primary contest in the Democratic Party which was free from personalities I hope and ask for the undivided support of the party at the polls.

To the voters of the county I wish to say that I have no promises to make other than the following few. If I am elected to the office of County Judge the measure of county economy will be that of personal economy and proposed expenditures will be made only after satisfying personal business judgment; with 26 precincts in our county and a County Board of but three members the great part of our territory is but inadequately represented on the Board, and for that reason every effort of the Board should be to consult every section of the county—not on minor matters, details or routine, but on vital changes or methods—and, if elected, it shall be my endeavor to withhold the action of the Board on any new or novel policy until every section of the county has been consulted, and that when determination of the Board is finally made it shall be that of the Board; matters within the particular jurisdiction of the County Judge will be expedited as intended by our laws.

Promising the voters such an administration as is above outlined if I am elected I abide their choice on the material issues above mentioned.

Very Respectfully
JOHN R. JENKINS,
Democratic Nominee for County Judge. (Paid Adv.)
