No County Judges Elected This Year

According to the decision of the supreme court there will be no election of county judges held in this state at the November election. This decision claims the judges elected before held over until the next general election. The names of J. R. Jenkins and H. C. Levens are on the ballot for the judgeship and no doubt electors will vote on them but it will not be counted, or rather neither will be entitled to the position as Judge Thompson will hold the place until 1916.

High School Foot Ball Team Lost and Won

The Harney County High School football team was defeated at Prairie City last Saturday afternoon but were victorious at John Day. The boys were nicely treated and the papers over there state the games were clean and sportsmanlike. They returned home early Monday morning and Principal Shirk announces the Prairie High School team expects to be here for a return game on Saturday, Nov. 14.

Song Recital November 12.

The Treble Clef Club will present Mrs. Lulu Dahl Miller, Portland's favorite contralto in a song recital on Thursday evening, November 12th at 8:30 o'clock, at Tonawama, Mrs. Miller is a favorite singer, and her work gives rare pleasure as is evidenced by the following from the Oregonian:

"Rare indeed was the pleasure afforded the members of the Monday Musical Club and their friends at the Multnomah Hotel ballroom last Monday morning, when Mrs. Lulu Dahl Miller, contralto soloist, appeared before them in recital. Mrs. Miller's programme was a varied one and sung in English. It ranged from the exquisite "Sea Pictures," by Elgar, to the stately "Persian Garden" number. "The Worldly Hopes Men Set Their Hopes Upon." In this number the sympathetic quality of the singer's voice was shown with fine effect. "Less Than the Cloud," written by Harold Vincent Milligan, was sung with charming tenderness and had to be repeated. Mrs. Miller was given a well-deserved ovation at the conclusion of her programme."

Also from the Lewiston paper: "Mrs. Miller's contralto is charmingly beautiful. It is rich and mellow, and when once heard is never to be forgotten. "When Mrs. Miller sang "Tonight," the enthusiasm rose to its highest pitch, and now the first encore of the evening was forced, the charming singer appearing and giving "An Irish Love Song."

made for the reason that the law requires that the valuations be placed on each legal subdivision; the Board not being in possession of data to make an equitable distribution of valuations made the above recommendation to the end that discrepancies of this kind should not be permitted to exist.

I ask you to examine the records and compare YOUR assessment with the valuations placed on livestock and to give to this matter careful consideration to the end that you will not be misled by the misrepresentation of a man who through selfish and unworthy motives came before a Board of Equity with unclean hands, and who now is posing as the Democratic Boss through political bias and personal spite singles out for attack the one member of the Board who is at this time a Republican candidate for public office.

R. T. HUGHET,
County Clerk and Republican Nominee for County Clerk.

To the Voters of Harney County.

In asking for your support in the coming election, I invite the public inspection of my work during the time I held the position of County Surveyor, knowing my record will compare very favorably, both as to efficiency of work and amount of expenditures, with that of any one who has ever held that office in this county.

If elected I shall endeavor to give prompt and efficient service, with proper consideration to economy of county funds, and a square deal to everyone.

I consider myself a permanent resident of the county having lived here, with the exception of the time spent in school, since early boyhood.

I have grown up with the country. I know its needs. My interests are all here. I am backed neither by political clique nor ring, but stand on my own merits as being thoroughly competent and ask your assistance in electing a Harney County boy.

FRANK P. GOWAN,
Republican nominee for Surveyor

Additional Locals.

C. H. Davis was down from Harney Thursday.

Albert Johnson was in from his Silver Creek home Thursday.

More rain this week has made the farmer happy and also improved the roads.

Everybody's talking about it—"Luelle Love" in pictures each Wednesday night at Tonawama.

Winter apples \$1.50 a box at Huston's. These are John Day apples and may be seen before purchased.

Lute Parker was over from his home at Ontario during this week on a visit to relatives and friends and looking after business.

Mrs. Earl Dillman is at the home of Dr. and Mrs. Brown in this city under the care of a physician. The lady is doing very well.

J. E. Graves and wife are home from their honeymoon trip to Missouri where they visited many old time friends and relatives.

The Cardinal Club of the high school gave a dancing party at Tonawama last night which was enjoyed by a large company of their friends.

M. Schenk, formerly of this city, was married recently in Lebanon to Miss Minnie Wetzel. His many friends here wish him happiness.

A fire was set by an employe of the P. L. S. Co. in the Red S field last week that got beyond control and destroyed quite an area of pasture and also four stacks of hay.

The Hon. G. W. Davis will lecture on Socialism at Tonawama Hall Monday evening, November 2nd. Everybody cordially invited to attend. Questions courteously and kindly answered.

The candidates are putting in their final bids and as long as it is honorable work it is alright, but the fellow who says mean things at the eleventh hour is going to find he's made a mistake.

C. A. Sweek is home from Portland where he has been to appear in the Federal Court to answer the charges of contempt brought by the P. L. S. Co. on account of the light plant keeping the boards in his dam.

The friends of W. Y. King desire to call attention of voters that in order to vote for him for justice of peace it will be necessary to write his name on the ballot in the place designated and to Assessor this date.

The friends of some candidates are entirely to ambitious as a case has shown the past week where unsigned letters detrimental to the character of a candidate have worked entirely opposite to the desired effect. Such methods are not only foolish and never accomplish any good but are also criminal and one guilty of such a low trick will be dealt with by the law. Unsigned accusations may be put down as fabrications as it is quite evident they cannot be substantiated, otherwise the name would be signed.

To the Voters of Harney County.

In soliciting your support for re-election to the office of County Surveyor I ask the closest scrutiny and comparison of the past conduct of that office.

So far as its roads are concerned, the county is passing thru a constructive period. This calls not only for competency on the part of its surveyor, but for a general knowledge of the conditions as they exist throughout the county. My private work, prior to assuming the duties of the office, has taken me to the extreme limits of our large territory. This together with most active campaign of road extension work during the past two years, has given me an intimate knowledge of all sections and of their needs.

In addition to work on the new roads which have been established I have been engaged in the necessary work of collecting data and making permanent maps and records of all existing county roads, and which is far from being completed and brought down to date.

As the duties of my office prevent me from making a personal canvass of the county, I take this means of asking your continued support.

CHAS. E. BEERY,
Dated October 26, 1914.

Vote to Save Industrial Oregon

VOTE "NO" 329 AND "NO" 331

The very life of the future manufacturing and industrial progress of Oregon hinges upon the defeat of the so-called "Water Front" bills, to be voted on Tuesday, November 3rd.

So cunningly and adroitly are these bills worded there is grave danger that many people will be deceived.

If these measures become laws the result will be that the State will take title to the tidelands and submerged lands and will be prohibited from selling any of these lands. They can only be leased for docks. No more ship-yards, saw-mills, canneries or other plants requiring access to deep water—nothing but docks, docks.

Every citizen of Oregon—wage earner, farmer, business man or woman, wants to prosper. These measures if enacted will throttle progress at the gate. Investors will shun Oregon. This means no work for the wage-earner, nothing to pay the store-keeper with and therefore nothing to pass on to the farmer or producer. Let no one think these bills do not concern him.

Before you go to the booth to vote, read 329 and 331 carefully. Talk to your neighbors about them.

Oregon is rich in natural resources, but poor in development. What the state needs above everything else is outside money to come in and develop its resources. That means GOOD WAGES, PLENTY OF WORK, GOOD PRICES and GOOD TIMES.

This is no political question; it concerns only the prosperity of Oregon and of you.

Give Progress and Good Times a helping hand by voting "NO" 329 and "NO" 331.
