The Times-Herald is pleased to note that the delegation from the Ladies Library Club was so well received by the city authorities and that proper steps are to be taken to make the library a free institution. It is a step in the right direction and one of progress that will meet the hearty approval of the entire community. The ladies of Burns and vicinity are certainly to be commended for the interest they have taken in the library and the magnificent collection of books they have secured. It has been a big undertaking and took perseverance to maintain the library for the past several years as it has been done by active members of the library club. They have something to be proud of and a library that would be a credit to a place of five times the population of Burns. With a public library open at all times under the direct supervision of a librarian that can devote the entire time to the work it will be a great benefit to the city and bring good literature within the reach of the people.

The Times-Herald is sorry to learn that the Electric Light & Power Co. were found in contempt in the federal court recently in the case brought by the P. L. S. Co. It seems there should be at least some way to provide for a power site for a public service concern and by proper application to the State Board of control we believe it can be accomplished. The patronage of such a concern is limited in a town of the size of Burns and since the company is under supervision of a state board governing its charges, a power plant cannot run at a profit and use fuel that has to be freighted in or use wood fuel.

Improve and Beautify School Grounds.

Principal Shirk of the Harney County School and his students and the other members of the faculty hit upon a very unique way of getting the grounds surrounding the school building in shape to seed to grass and flowers.

Wednesday was made a clean up day and studies were suspended for the day. About ten teams and wagons were donated for the occasion and the boys turned teamsters and dirt shovelers, while the girl students of the domestic science classes, under the leadership of their instructor, Miss Wilson, prepared a warm noon meal for the workers.

The Oregon & Western Colonization Co. donated the dirt to fill in with, Bert Stilson, the janitor superintended the blasting out of several big rocks on the campus. The boys succeeded in getting in about 100 loads of fine dirt during the day but haven't sufficient yet to cover the entire grounds as they desire, therefore

probably next week. The county court has signified its willingness to fence the grounds and provide a water system provided the grounds are put in shape for a lawn and flowers. Commissioner Bain has promised some 200 bulbs and other friends of the school will donate more, so when the spring sunshine comes the work of beautifying the place will begin and the barren yard make a thing of beauty.

As a fitting appreciation of the excellent work done by the students, Prof. Shirk procured Tonawama Theatre for last evening and gave the boys and girls a royal good time. They assembled early in the evening and danced, played games and had a general good time until 11:30.

The work is commendable and every friend of the school should encourage it as much as possible. No doubt when the time comes to seed the grounds to grass and flowers there will be a large number ready to donate plants, shrubs, bulbs, etc., and with a system of water for irrigation this can be made one of the pretty spots of the city.

The willingness of the boys to do this work shows that Principal Shirk has a warm spot in the hearts of his students and that the school work is going forward harmoniously and with everyone ready to do his or her part in making the school a success.

The student body is also preparing some entertainments for the winter months to raise funds to care for the athletics and other minor schemes of the school to increase interest and good fellowship among the students. These should and will have the hearty support of this vicinity.

Football Game Thanksgiving.

A very interesting game of football was played on the local grounds in this city Thanksgiving afternoon between a local team and an Ontario team. The game was gotten up in short notice and had very little advertising, therefore the crowd to attend was confined entirely to town people. Had it been known earlier and properly advertised there would have been a much larger attendance. Neither team had had proper training or sufficient team work to make the game as snappy as it would have been otherwise. However, it proved quite interesting and exciting and gave Burns a game that was worth while, as all former games of football played here have been between school teams and made up of boys who never had much experience.

The Ontario team was made up of a few young boys who are in the high school and others who had played in teams in the past. They are a fine bunch of boys who were good sports and made friends among the home people. The score was 12 to 7 in favor of the home team.

The Mill Dam Goes Out Again Thursday

The Times-Herald is informed that the power dam at the flour mill went out again Thursday night and the mill is again without power. This is rather unfortunate just at this season of the

material on hand to turn into finished products, especially as the weather is unfavorable to replacing the dam. It may be possible that a concrete dam will have to be constructed as the banks have given way to such an extent that it will be hard to make an ordinary structure stand.

Harney County Spelling Contest Rules

DIVISIONS.

There shall be two divisions: The Public School Division, The High School Division.

The Public School Division shall consist of grades five, six, seven and eight. The High School Division to include all grades above the eighth.

All contestants shall be bona fide students of the schools of Harney county.

Each grade shall constitute a unit for the final contest. The best speller in each grade in each school in the county shall represent that grade for that school in the final contest.

It is suggested that contests be held at least once a month in the various schools of the county to determine who shall represent the respective grades of the school in the final contest.

SUBJECTS MATTER.

Fifth grade, Champion Speller to Section Four.
Sixth grade, Champion Speller to Section Five.
Seventh grade, Champion Speller to Section Six.

Eighth grade, Champion Speller including section six, all grades as outlined in the State Course of Study.

Words for the High School Division may be taken from any part of the speller.

Contestants shall have but one trial at a word.

Words shall be pronounced but once for each contestant.

Homonyms may be defined so that the meaning may be clear in the mind of the contestant.

Person pronouncing shall be the sole judge as to whether or not the word has been spelled correctly.

Teachers must certify to the name and grade of all contestants entered.

A suitable prize will be awarded to the best speller of each grade in the final contest.

The final contest will be held Burns, in the public school building, May 8, 1915.

Sportsmen of State To Meet December 6

The annual meeting of the Oregon Sportsman's League will be held in Portland, Dec. 6th & 7th.

On the former date, Dec. 6th, the Portland Gun Club and the Multnomah Angler's Club have joined in arranging a state shoot and state fly and bait casting contests. Suitable prizes have been offered for the various events.

Monday, Dec. 7th, the delegates will gather in the Convention Hall of the Portland Commercial Club to consider the needs and desires of the sportsmen of the various sections of the state. A concerted line of action in matters of fish and game legislation will be determined upon. This convention coming as it does just prior to the session of the state legislature is of great importance to all the sportsmen of the state.

All clubs, whether already members of the league or not, are urged to send delegates. The meeting will conclude with a duck dinner given at the Commercial Club. New motion pictures taken by State Game Warden Finley will be shown. Excursion rates will be granted to all delegates by the railroads of the state.

Additional Locals.

We do job printing. Picture show tonight. Tonawama tomorrow night.
