Fer Belgian Relief.

In response to the appeal of the state Belgian Relief committee appointed by the Governor, the city authorities of Burns took the matter up at the regular meeting last Wednesday evening and appointed a local committee to solicit funds. The committee consists of Rev. Dr. Benson of the Presbyterian church, Wm. Farre and Julian Byrd.

The Times-Herald is requested to announce that some member of this committee will call upon the people of this city during the coming week and ascertain their wishes. It is desirable to send something from Burns and as the railroads carry anything for this purpose free to Portland the committee will accept anything in the line of clothing, imperishable food, as well as cash.

Few of our people realize the conditions in that little country where there are 7,000,000 people in a territory no larger than Harney county entirely destitute, without food or homes and no possible relief except from outside sources.

A Wonderful Performance on the Violin.

Those who attended the violin recital of little Kathleen Jordan at Tonawana Thursday evening were well repaid as the little lady did herself proud and those responsible for her appearance are proud of her. The attendance was not as large as the performance deserved but it was a stormy night which was responsible for several not attending.

Kathleen handled her instrument like a true artist and her execution was wonderful. One number was worth the price of admission and those present showed their appreciation by generous applause of each number. She is a little girl and has not been taking lessons but a short time, yet she reflected much credit to her teacher, Mrs. Dodge, and it is a source of regret that more people didn't hear her and get an idea what is being done in the musical line in Burns.

She was assisted by the Treble Clef with two numbers, Miss Evelyn Byrd with a piano number, William McHose with two vocal selections and little Miss Miriam McConnell rendered a recitation and responded to an encore with a slam on the manager of the house and Mrs. Dodge, this being one of the lively numbers of the evening. Every performer did well and the people were well pleased. Kathleen has a neat sum to apply toward buying her a new violin.

Esteemed War Veteran Laid to Rest.

The death of B. P. Bennett last Monday evening relieved one who had long suffered from infirmities and was welcomed by the aged and lonely man who had grieved for a year over the death of his life companion, his wife having passed away in this city in November, 1913.

Mr. Bennett was one of the most popular and esteemed men

in Burns where he had resided almost continuously since 1896. He had been suffering from stomach trouble for many years but he was always cheerful and had a kind word for his friends when he met them. Mr. Bennett made three trips across the continent to Freeport, Maine, after establishing his residence here in 1896; he would get homesick for the old place and go back to Maine but would soon tire of it and come back.

Deceased was born in Freeport, Maine, March 24, 1837. At the age of 20 he moved to Cambridge, Illinois and was married there in 1859. He followed farming until the war when he enlisted and served with distinction until its close, being discharged in 1865. He saw active service during the entire period of his enlistment, taking part in 27 recorded battles. At the close of the war he returned to Cambridge and again took up farming, later moving to Redding, Iowa in 1871, returned to Freeport in 1886, coming to Burns in 1896.

Mr. Bennett had no near relatives, his five brothers and one sister having died and he had no children.

The funeral services were conducted Wednesday afternoon from the Nazarene church, being in charge of the G. A. R. and Spanish American War Veterans. Rev. Dr. Babbidge delivered the sermon and he was interred in the Burns cemetery beside his wife.

Christmas Services.

Christmas services will be held in Tonawana Hall, Sunday, Dec. 20 at 3 o'clock in the afternoon. The subject will be, "The Good that has Come to the World Through Jesus Christ."

A special offering will be taken. There will be no preaching service in the morning at the Presbyterian church. The Sabbath School will be at the usual hour of 10 o'clock.

The Christian Endeavor will meet at the Presbyterian church at 6:45 p. m. at which time a special Christmas sermon will be given by the Endeavor. There will be no other service this evening. This is the natal day of our Lord to whom we owe so much. Come to this Christmas service and honor and worship our King. The gentle Christ stands out in bold contrast to the "God of War" in these days of combat. Come let us bow down in worship before him.

The supreme court has decided against the P. L. S. Co. in its suit against Water Commissioner Cochran respecting the fees charged in filing their water rights in the Silves River adjudication. It will be remembered the company protested the fees and brought suit to recover. The circuit court found in favor of the Water Board and the supreme court has affirmed the decision of the lower court.

The Times-Herald devotes but little space to the serial story "Lucile Love" this week for the reason that its columns are somewhat crowded and the further reason that the story has gotten in advance of the pictures at Tonawana quite a bit. Remember the pictures Wednesday night will be augmented by the Herbert Bell Comedy Co. but the admission charge will be the same as in the past. The management is giving additional attraction to patrons for the same price.
