FIRST NATIONAL BANK of Burns

December 19th, 1914.

To our Friends and Patrons: The record for 1914 is almost complete, as but few pages yet remain to be written. As we approach the holidays, the season of good will and good cheer, we deem it a pleasurable duty to express our deep sense of appreciation to the Public for its continued confidence and support.

The year now nearing its close has been one of the most satisfactory in our entire history. The volume of business transacted through our institution during 1914 vastly exceeds that of any former year, while the number of our patrons has during this period steadily increased with the gratifying result that a larger number of names are now recorded upon our ledgers than ever before, unmistakable evidence that our conservative business methods are approved by a discerning public.

In line with our progressive policy we have during the year made important changes in our office equipment, as well as in the methods of handling the ever increasing business committed to our charge, and we confidently believe that we are better prepared to render prompt, satisfactory service than at any time in the past.

In conclusion, we desire to thank our friends, one and all, for their patronage; for their kindly words of commendation which have brought us new friends and customers. We extend the season's greetings and wish you a Merry Christmas and a very Happy and Prosperous New Year.

Sincerely, J. L. GAULE, Cashier.

That the county judges elected in 1910 were not chosen for six years after all is the latest theory of the present condition of the Oregon law. The idea is based on the accidental discovery of a constitutional provision to the effect that an amendment to the constitution does not become effective until a canvas of the vote and a proclamation by the Governor. Governor West will test the question by appointing on January to succeed those elected in 1910. It is not understood that the term of judges elected in 1912 are affected.

The Geneva Lockes Dramatic Co., which plays Tonawama for a week beginning January 4, comes well recommended.
