He purchased some farm implements while here a few weeks before and upon arriving home found he had some parts that would not fit and had to make the long trip back through the mud to get them changed. The sheepman thinks the cattleman is getting too much for his beefsteak and the cattleman thinks that the sheepman is getting too much for his wool. The man with the orchard thinks that the wheat man is getting too much for his wheat and the wheat man thinks that apples are too high. The man with the pumpkins accuses the man with the bees and the bee man thinks that it is the hog that runs up the high cost of living. But what the straight consumer thinks won't do to print, for all that is left for him is to dig and damit—Blue Mt. Eagle.

Gault, Henry Dalton and Arthur Turner. During the evening Mrs. Farre, Mrs. Nollie Reed and Mrs. Sutton sang much to the delight of the guests as each are favorite singers and always respond in a most pleasing way to the demands of their friends. Each had to respond to hearty encores. The Victrola was also put to good use during the serving of refreshments. One regret was the absence of both Mr. and Mrs. Mothershead, they not being able to be present on account of grip.
