### Circuit Court.

The present term of circuit court has been light. A grand jury to act preceding the fall term was drawn from the panel this morning and the jurors in attendance then dismissed. It is the intention to adjourn court this afternoon.

The law cases disposed of during this week were:

Del Dunbar vs. A. K. Richardson and National Surety Co.—Damages. Verdict for defendant. This case for \$10,000 damages grew out of the arrest of the plaintiff as a suspected horse thief wanted in this county. Another man, Charles Markle, was arrested also as a suspect, at the same time. Markle filed a similar suit which has been continued to the fall term.

Mrs. L. R. Work vs. Etta Cummins—Recovery of money. Verdict for defendant.

D. W. Jordan vs. H. F. Huntley—Attachment. Verdict for plaintiff and attached property ordered sold.

Criminal cases: State vs. J. H. and Rose Henderson, on perjury charges, dismissed on motion of district attorney.

State vs. A. O. Skotterud—Larceny of posts, lumber and one house. Jury found him guilty of petty larceny.

State vs. R. L. Haines—Assault and battery. Jury verdict of not guilty. This case grew out of an arrest of Charles Nelson when Haines was accused of brutal conduct as an officer.

### Friends of Church Asked to Help.

"Recognizing 'the church' as a great moral agency; the foundation of good citizenship and essential for the upbuilding, happiness and contentment of any civilized community we hereby subscribe the amounts set opposite our respective names for the support of the Presbyterian Church of Burns, Oregon for the year of 1915."

The above paragraph is the heading of a subscription paper now in the hands of the trustees of the Presbyterian church and friends of that church are asked to communicate with them if they do not call in person. It has never been the custom of this church to solicit aid but friends are always given an opportunity to contribute whatever amount they desire. The subscription paper is in the hands of Julian Byrd and Wm. Farre and those desiring to contribute may call on either of these men.

### A Cure for Sour Stomach.

Mrs. Wm. M. Thompson, of Battle Creek, Mich., writes: "I have been troubled with indigestion, sour stomach and bad breath. After taking two bottles of Chamberlain's Tablets I am well. These tablets are splendid—none better." For sale by all dealers.

### Additional Locals.

Ground feed at Hagey's.  
Wilson's Creamery Butter at Hagey's.

For Sale—Disc harrow and sulky plow.—Cal' Clemens.

Finest alfalfa, timothy and red top hay baled may be had at the Goodman feed barn in south Burns.

Mrs. Millar has her new Spring Millinery on display at Schwartz' store and invites the ladies of Burns and vicinity to call and inspect it.

Clingan's Millinery south Main St. has received a late consignment of the latest in all lines. Call and see the new Mary Pickford bonnets, etc.

For Rent—160 acres of land adjoining fine range, plenty of water, good house and a garden plot that can be irrigated from springs. Inquire at this office.

The musicale advertised for last night at Tonawama by the pupils of Mrs. Dodge was postponed until next Friday, April 16 on account of the death of little Muriel Mace who was a member of the orchestra.

Rev. Dr. Benson has gone to LaGrande where he will attend Presbyterian next week. There will be no preaching service at the Presbyterian church tomorrow on this account but the Sunday School will meet at the usual time.

### A Big Musical Treat in Store For Burns People

What is sure to be one of the most attractive musical programs ever heard in Burns is scheduled for May 14th when the Rotarian Male Quartet, of Portland, will appear at Tonawama.

This aggregation of versatile singers were induced to come to our city through the efforts of Mrs. Sutton, who knows of their ability as entertainers, and the lady will have the active support of the music lovers of Burns in securing the necessary funds to defray the expense, which will be quite heavy. This will be done by advance sale of seats.

Those who are fortunate enough to have the opportunity of hearing the Rotarian Male Quartet are assured of a rare musical treat. The harmony produced by four well balanced male voices appeals stronger to the music loving public than any other form of vocal music. It is safe to say that no other male quartet before the public today presents a more varied, entertaining and artistic program than do these four singers. They are now touring California.

### Nazarene Church.

Regular preaching services each Sunday at 11 a. m., and 7:30 p. m. Sunday-school at 10 a. m. every Sunday.

Tuesday Bible Study at 7:30 p. m.

Wednesday Mid-week Prayer meeting at 7:30 p. m.

Saturday young people's meeting at 7:30 p. m.

Will be glad to call on the sick and needy at any time.

S. L. Flowers, Pastor.

### Christian Science Church.

Christian Scientists will hold their services at the Presbyterian Church, Sundays at 3 o'clock Wednesday at 7:30 p. m. Sunday School at 1:30 p. m. Reading Room at room No. 6 Masonic Building and it will be open on Wednesday and Saturday afternoons of each week from 2 until 5 o'clock. This is a free reading room and people are welcome to come during those hours.

### Baptist Church Doings.

Three musical instruments will be used next Sunday night.

The new automobile has just arrived and will be named "The Gleaner". Communities that have no preaching services are requested to write to the pastor, Rev. A. K. MacRae, Burns.

Subjects for next Sunday: Morning: "I've things a Christian must fear." Evening: "The Way and the Ways." The evening sermon will be illustrated with a large painting.

You hear so many wise people say, "My back has nothing to do with my trouble." But did you ever notice how they stand or move? Their spine is never straight and when they bend or turn they move their backs as little as possible. Think it over and then come up and ask me why. It will cost you nothing and may lead a way to a happier life.

Dr. R. D. Ketchum,  
I. O. O. F. Bldg.

Ralph Irving came in yesterday with a broken arm which he sustained when a horse fell with him. The accident occurred over in the Albion country and he had to ride a long distance to receive doctors aid.

Don't forget the musicale given by the violin pupils of Mrs. Dodge next Friday night at Tonawama. Big orchestra of 24 violins, and all the trimmings with it. Fine program that is worth twice the admission price—and remember the receipts are to be used by the pupils to secure Victrola records to help them in their work—it's a good cause, besides those who attend will more than get their money's worth.

Ivor Williams, one of the successful shepherms of the Steina Mountain section, arrived this week from Malheur county where he had his flocks during the winter. The sheep are being trailed to the summer range in this county. Mr. Williams states he lost but few on account of rabies and he is of the impression the disease is not so prevalent as it was. He found several dead coyotes when coming in by way of Barren Valley and seems to think the rabies has caused a large number of them to die. Mr. Williams further states as a matter of news that the people of the Barren Valley and Jordan Valley sections were now viewing the country with the idea of a good road into this valley for lumber and other such materials as they feel they can get a good class of lumber from the mills in this territory and haul it over cheaper than having it shipped in from the railroad.

Miss Emma Johnson arrived home the fore part of this week from Portland where she had gone on learning that her sister, Miss Ella, was suffering from typhoid fever. She reports the invalid improving nicely and she returned to again take up her duties as teacher in the public school at Lawen.

Waldo Geer arrived here the first of this week to look after some business matters. He will likely dispose of some of the stock on the farm where Mr. Wallace has been, as the latter is giving up the lease and will go out in the valley where he has a place rented. Waldo is looking in good health and his many old time school friends are glad to welcome him.

C. F. McKinney and wife took their departure last Tuesday morning for San Francisco where they go to take in the fair and visit old scenes of former days when they lived in California. They will meet Ex-Judge Sparrow there and renew acquaintances with their former friend and partner. Mr. Purinton accompanied them out to Bend and brought the car back.

J. A. Jones, an outside horse buyer, spent several days in this vicinity during the week and The Times-Herald is informed he purchased between 850 and 1000 head. He paid \$55 for mares and \$65 per head for geldings. Mr. Jones announced that he expected to be back here in May after more horses. These prices are considered very fair by horse men and there will likely be several head offered next month.

Harry Larkin, who with his wife has been visiting with the Gemberlings for several weeks, took his departure last Monday for Hood River where he has arranged to open a canning factory. This has been his business for many years and he formerly operated in Colorado but he has disposed of his business there and will open in Hood River. Mrs. Larkin is still with her sister Mrs. Gemberling, and will remain until Mr. Larkin has his business in shape and a residence for them to move into.

Died—At the home of her parents in this city Tuesday, April 6, Muriel Mace, daughter of Mr. and Mrs. F. L. Mace, aged 13 years. The little lady had been in only a short time and her death was a shock not only to her immediate relatives but also her school mates. She was a bright little girl and loved by all her acquaintances. The funeral was held Thursday afternoon from the family home, Rev. MacRae of the Baptist church conducting the service. Her little class mates in the music class of Mrs. Dodge rendered the musical selections for the funeral which was a touching tribute to her memory. The bereaved relatives have the sympathy of a wide circle of friends. They are pioneer people and have many friends and acquaintances throughout this county.
