Mrs. McKinnon Passed Away Last Monday

Mrs. R. J. McKinnon Jr. passed away at the family home in this city last Monday after an illness covering a long period and during which she suffered very much. Her condition had been serious for several weeks and last Sunday her father and sister were summoned from Portland but did not arrive until after her death.

Mrs. McKinnon was a pioneer resident of this vicinity. She came here as a girl in the early '80's and was married to Mr. McKinnon on May 10, 1888. Her maiden name was Laura Ann Galloway and was born at Yaquina Bay in this state 46 years ago. Deceased was a devout Christian woman and a lovely character who won the esteem of all her acquaintances. She is survived by her husband and 7 children, all of whom reside here, her father, five sisters and two brothers. The father, J. T. Galloway, a sister, Mrs. McFerrin, of Portland, and another sister, Mrs. Joe Rurake and her husband, of Washington, attended the funeral.

The funeral was held Thursday morning from the Nazarene church, the service being conducted by Rev. S. L. Flowers. Many beautiful floral emblems were offered and it was one of the largest funerals held here for many years, showing the high esteem in which the lady was held. The family having resided here for so long there were many pioneer people who came from distances to pay their last tribute to the departed. The bereaved relatives have the deep sympathy of a wide circle of friends throughout the county.

Baptist Church Doings.

Ten delegates left Monday morning, to attend the annual meeting of the association to be held in Hains this week.

Some or all of these delegates will report next Sunday evening. Miss Alma MacRae will also sing at this service. An invitation is extended all to attend.

There will be no service next Sunday morning.

We were glad to have Dr. Benson with us last Sunday night and have him assist in the meeting. Hope he can come again.

The annual church report to the Association shows an increase of 27 in the membership this past six months. The present membership is 55 and a movement is on foot to increase this to 100 in the next ten months.

In and by the ordinance authorizing the issuance and sale of any bonds for waterworks, sewers or light plant, the common council shall levy direct annual ad valorem taxes, in addition to all other taxes, and particularly in addition to the 10 mills provided in subdivision 2 of Section 89 and in Section 102 of this charter and without submitting such ordinance or levy to the vote of the owners of taxable property in said city or to the vote of other taxpayers or voters therein, upon all taxable property of the city, sufficient to pay the interest on said bonds promptly when and as the same becomes due, and to create a sinking fund to discharge the principal thereof at maturity, and said council shall include such levy in the annual general tax levy of the city.
