MEN WHO HARM A TOWN.

1—Those who oppose improvements.
2—Those who "knock" strangers and who "knock" the town to strangers.
3—Those who show hospitality to no one.
4—Those who hate to see others succeed.
5—Those who distrust public spirited men.
6—Those who oppose every movement which does not originate with themselves.
7—Those who oppose every enterprise that does not appear to help themselves.
8—Those who enjoy the benefits that come from the work of public-spirited, broadminded men but who give nothing but criticism in return.
Do you belong? Why not reform?

It is a splendid thing to be a part of a wide-awake city. It is a splendid thing to know that your own strength is infinitely multiplied by the strength of other men who love their town as you do. It is a splendid thing to feel that the wholesome blood of a community can be united in common purposes, and that by frankly looking one another in face and taking counsel with one another, prejudice will drop away and handsome undertakings will arise, a universal spirit of service will be engendered, and that with this increased sense of community of purpose will come a vastly enhanced individual power of achievement; for we will be lifted by the whole mass of which we constitute a part.—Chamber of Commerce News.

Merchants Give Reception to High School.

One of the most joyous and enthusiastic social times in the history of the Harney County High school was an informal reception given the new teachers and students at the High School building last evening by the merchants of Burns and their wives. It was an informal affair with no set program, just an occasion of felicitation. Every student of school was present as well as the entire faculty and all had a fine time. The merchants were most enthusiastically cheered by the school and the Times-Herald wants to join in this word of good feeling as it has started the school out for the new year with the assurance of sincere interest on the part of the business men of our city who desire the students to realize their wish to assist them in every way possible toward a successful year. Games were played and songs sung with a general and an unhampered intercourse and get acquainted spirit prevailing. Refreshments in the form of fruit punch, peaches and cream and cake were served.

The school starts the year with the largest enrollment in its history, there being 63, which will be augmented within the month as several students are yet unable to start. The freshman class numbers 28 and there are 14 seniors.

Principal Shirk informs The Times-Herald it was necessary to place additional seats in all the rooms to accommodate the students. He also reports a most enthusiastic spirit and the relation between students and teachers particularly cordial.

The Times-Herald commends this spirit and hopes a continuation of these harmonious and pleasant relations throughout the school year.

Dr. Calvin S. White to Speak on Social Hygiene

J. A. C. Oakes, field secretary of the Oregon Social Hygiene Society, is in Burns arranging with various local men and women for meetings under the auspices of that organization Wednesday, Sept. 15.

At that time Dr. Calvin S. White, well known State Health Officer and Executive member of the Society is to be here and will be the chief speaker at meetings for women and for men. The women's meeting will likely be held in the afternoon and a men's conference in the evening at which local men are also to take part.

Program committees of women and men are completing arrangements and through invitations and programs soon to be issued by them every man and woman in Burns will be fully advised regarding all particulars as to nature of meetings, time, place, etc.

Previous to the meetings here Dr. White will conduct similar meetings at Prairie City, John Day and Canyon City.

The Oregon Social Hygiene Society is an organization of thoughtful, earnest business men, professional men, educators, clergymen and others, associated together in an educational campaign to prevent the further spread of venereal disease, to remove misinformation, to teach in a decent manner the laws of sex life and to improve the social and moral conditions of the people of the state, especially its youth.

Some of its most practical work has been to eliminate quick advertising, to arouse parents to the seriousness of conditions and to help them in bringing information about vital facts regarding health and physical development to their growing children.

Various prominent men of the State are actively interested in its work. Its president is Dr. W. T. Foster, President of Reed College. Other officers are A. F. Flegel and Adolph Wolfe of Portland, Leslie Butler of Hood River, W. J. Kerr, President of O. A. C., Corvallis, Judge Gilbert Phelps, Pendleton. Such men as William F. Woodward, R. L. Sabin, J. C. English, L. R. Alderman, W. A. Carter, Dr. Calvin S. White, Dr. Andrew C. Smith, Edward Coothingham, of Portland, are or have been members of its Executive Board.

The organization is associated with the State Board of Health and derives its financial support in part from the state.

Meetings similar to those planned here have been held in about 60 of the larger cities and towns of the State. In some places practically every adult man and woman has attended the respective meetings.
