Frank Bowers and wife were guests at the home of Mr. and Mrs. Ben Brown over Sunday. Frank has been doing cartoon work on papers in Indiana for several years but decided he wanted to see the Wadilo hills again and as he owned a farm there as well as another in Southern Oregon, he decided to get back to the soil and live independently. Frank is a cousin to the Geers and also a cousin to the late Homer Davenport. While he has not attained the distinction of his famous cousin, Frank has been considered one of the best cartoonists of recent years and has done very well at it. He visited here some twenty years ago or more and the writer became quite well acquainted with him. He had some one tell him where to find this office and pretended to know the writer after all the years intervening between his former visit, but he is just as cheerful a liar as he used to be. He and Mrs. Bowers made trip from Indiana through in a Ford car without any trouble and were very comfortable with camp outfit.

Bruss Byrd and his son Anderson accompanied Frank Cole and wife over from Juntura last Saturday evening and spent Sunday with relatives and visiting his many friends. The party came over to see how the people of this place felt about the proposed change in routing the mail and found the sentiment decidedly against any change for the present. When the railroad is extended into the Valley a change is natural and practical. Since this is only a matter of a few months it is folly to make a change that would really be of no benefit to any of the patrons or the postal service either.

A little rain would help the roads.

DOUBLY PROVEN

Burns Readers Can no Longer Doubt the Evidence.

This grateful citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed. Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

L. Greenwald, prop. shoe repairing shop, 414 Lincoln St., Pendleton, Ore., says: "Backache and soreness across my kidneys troubled me day and night. The kidney secretions pained in passage and the flow was too frequent and scanty. One box of Doan's Kidney Pills completely cured me." (Statement given May 17, 1910).

TROUBLE NEVER RETURNED. Mr. Greenwald said: "Doan's Kidney Pills cured me and the trouble has never come back."

Price 50, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Greenwald has twice recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

The Mauser

The Mauser 22 pump-action repeater has a slide, which has a built-in safety device. This means, visible hammer, it takes down easily. You can look through the barrel—it closes from both ends.

The Solid Steel Top protects your face and eyes against injury from defective powder, from shells, craters, or gas. The Slide Ejection throws shells away to the side, never up across your line of sight.

Handle all 22 short, 22 long and 22 long rifle shells in the hollow-point loading magazine. Ammunition is held in place by a special locking device, which prevents the shells from falling out.

Mauser 22 repeaters also work with lever actions and pump actions.
