Better Service to Our Depositors

This neatly printed Burroughs-made statement is the modern way of showing you the condition of your account. It saves you the inconvenience of turning in your pass-book each month.

This bank has always tried to give you good service. It has safeguarded your funds. It has collected the cash represented by the checks you have deposited. It has delivered the cash ordered paid by the checks you have issued—even furnished you the check blanks. It has returned your cancelled checks as receipts. It has kept a record of your transactions, accurate to a cent, proved every day. Now we give you an extra-tangible service. Instead of leaving your pass-book (your only receipt for deposits) to be balanced, and calling for it later, you find your statement of account with cancelled checks ready for you at the first of the month. Or you can have them any day in the month that you wish, at a moment's notice. The statement is printed, neat, accurate—made by machine.
