It has been hoped that the light plant would be permitted to use the dam during this winter and give better service to the people of this city but it is understood the P. L. S. Co. people object and therefore we all have to suffer. It doesn't make the least difference to that company so far as we can see at this time of the year. The water is turned directly back into the river below the dam and there is ample at the Island Ranch for all purposes at this season of year. It doesn't look good to us and the company is not making any friends or helping its standing in this community by acting thus arbitrarily.

The flight of water fowl during the fall season has not been near what it has been in the past and it is an indication that game preservation was not started soon enough even though we grow about it. When we get the Silvers reservoir in and hold up the water both from this way and the Blitzen Valley people conserve the water of that stream the game preserve on Malheur Lake will be a thing of the past then it will be rare when we have any water fowl shooting at all.

Burns Commercial Club Passes Strong Resolutions

The new Burns Commercial Club got down to business at its regular meeting held Friday evening adopting the report of its Executive Committee recommending that a live commercial organization be maintained and that suitable quarters be secured and fitted up either by the purchase of available property as an investment or the leasing of a suitable building.

The Executive committee was instructed to confer with the Executive Committee of Burns Railroad Club and arrange for the entertainment of Mr. Robert E. Strahorn who is to arrive Sunday.

Two sets of resolutions were unanimously adopted, one urging early determination of the water right adjudication and the other calling for prompt action of state officials in the suit of the State of Oregon against the P. L. S. Co. as follows:

WATER ADJUDICATION
 Whereas, titles to water rights on the Silvers River have been in an unsettled condition, causing much expensive, unsatisfactory and undetermined litigation for a great many years; and

Whereas, the constant disputes arising in regard to said rights, the enforcement of court decrees pertaining thereto; the pending litigation and threatened litigation are a bar to all development of the water resources and seriously affect the settlement and improvement of the Harney Valley, including its most important needs,—that of irrigation and railroad transportation,—and also prevents the use of available water power for the local electric light and power purposes; and

Whereas, the complete adjudication of the relative rights on said stream was commenced by the provisions of the Oregon Water Code in the Spring of 1912 and said adjudication is still pending and undetermined; and

Whereas, the individual claimants for water rights on said stream have promptly submitted their proofs of claim at the sessions heretofore held in said proceedings, and ample time has been given the larger corporate claimants to prepare for and submit their proofs of claim;

Now, Therefore, be it Resolved, that the Burns Commercial Club, organized for the purpose

of promoting the business and commercial interests and in lending its organized influence in all matters pertaining to the improvement and development of the Harney Valley, considers the speedy settlement of the water rights of vital importance and urgently insists that no further delays and adjournments be granted, and that said proceedings be determined and closed at the earliest possible date; and

Resolved, that a copy of these resolutions be sent to each of the three members of the State Water Board; and

Be it Further Resolved, that the importance of the results of said adjudication justifies the preparation and submission of similar resolutions to the Oregon Irrigation Congress to be held in Portland on December 28, 29 and 30, 1915.

STATE LAND SUIT
 Whereas, the policies of the Pacific Live Stock Company, in connection with its large land holdings and water right claims, have retarded the settlement and development of the Harney Valley; delayed the proceedings for the State's adjudication of the water rights on the Silvers River, directly attacking the Oregon water laws; caused much expensive and indeterminate litigation during the past fifteen years and threatens continued litigation in the future, and by its arbitrary enforcement of court decrees has prevented the use of available water power for local light and power purposes; and

Whereas, the State of Oregon, through its proper officials instituted a suit in April, 1914, to cancel titles to a large acreage of land claimed by said company in the Harney Valley and which is involved in said water right adjudication; and

Whereas, a determination of said suit in favor of the State would greatly aid in the settlement and development of the Harney Valley, especially in securing irrigation and rail transportation; and

Whereas, the 1915 Legislature provided funds by direct appropriation for the specific purpose of the investigation and preparation of said suit for trial; and

Whereas, said suit has not been referred for the taking of testimony and but a small part of the evidence has been investigated and secured although the issues are fully joined;

Now, Therefore, be it resolved by the Burns Commercial Club, organized for the purpose of promoting the business and commercial interests and in lending its organized influence in all matters pertaining to the improvement and development of the Harney Valley, that said suit should be promptly and vigorously prosecuted and the issues finally determined at the earliest possible date, and

Resolved, that a copy of these resolutions be sent to the Attorney General and State Land Board of the State of Oregon.

The Whipp Concert Promises Rare Treat

The concert to be given next Thursday evening at Tonawana by Mr. and Mrs. Hartridge Whipp is going to be an exceptional treat to music lovers. Mrs. Sutton, one of the sponsors and largely instrumental in bringing these artists to Burns, is personally acquainted with Mr. Whipp and speaks in highest terms of his ability. The following clipping from a Portland paper gives some indication of his standing in that city:

A pleasant innovation in the form of a lecture-recital was inaugurated at the meeting of the Woman's Club last Friday afternoon when Hartridge Whipp, baritone, was the singer chosen to open the first meeting of the season. Mrs. Russell Dorr, in introducing Mr. Whipp explained that music would have a larger place on the program of the Woman's Club this year, and that the lecture-recitals would be an

important feature of them. Mr. Whipp sang three German and four English songs, each one preceded by a brief synopsis of the works of the composer and a short outline of the character of the song to be rendered. Mr. Whipp was in splendid voice. It is gratifying to observe that this young baritone with the unusual voice has so rapidly broadened into an educated musician whose singing is a real pleasure to listen to. Mrs. Whipp was an efficient and sympathetic accompanist.

Catlow Local News.

Oscar Ericson Louie Jenness returned from Burns Wednesday with a load of lumber.

Adrian Harrison has returned from Idaho after his five months leave of absence.

Miss Velma Ott of Centralia Wash., arrived last week she is making improvements on her claim.

Miss Ruth Anderson is having a house built on her claim.

The Priscilla Society met with Mrs. Louie Jenness Thursday December 2.

Albert Olafson is at home again Albert has been working at Home Creek for several weeks helping build dikes in the west field.

Andrew Lief of Kingsburg California, has just arrived to take up residence on his claim. Mr. Lief made the entire trip on his motorcycle.

The Priscilla Society of South Catlow Valley held Thanksgiving Dinner at the home of Roy Haskin. A delicious two course dinner was served the table was tastefully decorated with the societies colors and Turkey place cards. After dinner the following program was given by the ladies:

Piano Duett,
 Lois Haskin and Ruth Anderson
 Reading: "First Thanksgiving,"
 Mrs. Marjorie Jenness
 Song, by the Society
 Exercise, "Pumpkin Pie,"
 Fred and Ethel Haskin
 Song by the ladies,
 "Thanksgiving Joya"
 Margaret Jenness

Paper:
 "Priscilla the Pioneer Woman,"
 Mrs. Roy Haskin
 Vocal Duett,
 Mrs. Erickson, Miss Anderson
 A Prohecy, Miss Alice Harrison
 Song, America
 After the program the time was pleasantly spent in singing, conversation and games until a late hour when the guests departed for their homes. Those present were: Mr. and Mrs. Oscar Ericson, Mr. and Mrs. Louie Jenness Mr. and Mrs. Roy Haskin, Miss Ruth Anderson, Miss Alice Harrison, Mr. Clarence Ericson, Mr. Albert Olafson, Mr. Andrew Lief, Mr. Adrian Harrison, Fred, Ethel, Marjorie and Margaret Haskin and Margaret Jenness.

"IN A BAD WAY"

Many a Burns Reader Will Feel Grateful for This Information.

If your back gives out; Becomes lame, weak or aching; If urinary trouble set in, Perhaps your kidney are "in a bad way." Don't delay—use Doan's Kidney Pills. Here is good evidence of their worth.

N. Marchand, Warden Ave. Klamath Falls, Ore., says: "I was obliged to get up many times at night to pass the kidney secretions. Often my back was so weak I had to quit work. Doan's Kidney Pills restored my kidneys to a normal condition and remove the pains in my back." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Marchand had. Foster-Milburn Co., Props., Buffalo, N. Y.

On account of the Whipp concert next Thursday night at Tonawana the serial story "The Black Box" running on that night at the Levens, will be put on the screen early in order to give patrons an opportunity to see it before the concert program. Pictures will start at 7 o'clock.

R. L. Haines is having an addition constructed to his residence property which is to be devoted to hospital purposes. He is building but five extra rooms at present owing to weather conditions interfering, and a surgery. Mrs. Haines is a graduate nurse and is informed and will no doubt take active charge of the hospital.

Several have told the writer during the last week that M. G. Athey has gone out to buy a printing plant and intends starting another paper in Burns. Mr. Athey came here with a view of purchasing the business of our competitor but the price offered and the one asked were so far apart that there was no trade. The Times-Herald man offered to sell this business but Mr. Athey did not consider it.

Vanishing Game of State is Protected

Steps to preserve the fish and game of the state were taken by the State Fish and Game Commission in its monthly meeting last week at the offices in Portland. The Deschutes river was ordered closed to winter trout fishing and a reward of \$100 was posted for the arrest and conviction of anyone shooting antelope mountain sheep or elk at any time in this state.

Recommendations of W. L. Finley, state biologist, on the need for the utmost protection for elk, mountain sheep and antelope were followed by the Board. Mr. Finley reported that there is but a small remnant of bands of mountain sheep that formerly made their homes in the mountains of Eastern Oregon. He believes that not more than 30 or 40 animals are now left alive in the mountains of Northeast Oregon. Antelope have also been nearly exterminated, he said and are in a fair way to be wiped out altogether unless the strong arm of law is thrown around them to give additional protection. He estimates there are perhaps 1000 antelope remaining in Eastern Oregon.

The elk, he said, which are found in small numbers in sections of the Coast Mountains, are the best type of elk to be found anywhere and he regarded it as extremely important that they be saved from hunters. They are the big Roosevelt elk, he said, superior in size and color to any other. It is thought by the commission members that the addition of safeguard will have the effect of saving these types of wild animals from utter extermination.

Efforts Are Made to Contract Wool Clip

Months ahead of the time for shearing and a very long period before the usual season, eastern interests are trying to secure contracts on next spring's wool clip in Oregon and Idaho at prices reported 2 cents a pound above what similar clips brought last season.

Market for wool is intensely firm while the big wool interests are still making a desperate effort to hide most of the war orders they have received for cloth and are likewise trying to hold in check an advancing tendency in fleece, the general trend of the wool trade is not only firmer but is showing an upward slant to values. This is true especially of foreign sections but the Atlantic coast is at last awakening to the fact that there is very likely to be one of the greatest wool famines within the coming season that was ever known in the world's trade.—Ex.

A New Suggestion for Quitting Booze Habit

For the married man who cannot get along without drink, the following is suggested as a means of freedom from bondage to the saloons.

Start a saloon in your own house. Be the only customer (you'll have no license to pay.) Go to your wife and give her two dollars to buy a gallon of whiskey, and remember there are sixty nine drinks in a gallon. Buy your drinks from no one but your wife, and by the time the first gallon is gone she will have eight dollars to put in the bank and two dollars to start business again. Should you live ten years and continue to buy booze from her and then die with snakes in your boots, she will have enough money to bury you decently, educate your children, buy a house and lot, marry a decent man, and quit thinking about you entirely. —Lakewey Examiner.

Laughter Aids Digestion.
 Laughter is one of the most healthful exertions; it is of great help to digestion. A still more effectual help is a dose of Chamberlain's Tablets. If you should be troubled with indigestion give them a trial. They only cost a quarter. For sale by all dealers.

A. Hembree, a former pioneer resident of this county, died at Dixon, California on last Monday, according to advice published in a recent issue of the Baker Herald. Mr. Hembree was 82 years old. He lived here for many years and was the father of G. L. Hembree at Riley. We have not received any particulars of his death.

P. S. Welltenhiller took his departure yesterday morning for Spokane where he will make headquarters with his family during the winter.

The Burns Packing Plant solicits your patronage for their products and guarantee the quality. The prices are right.
