HARNEY COUNTY PATRIOTISM PLEDGED

(Continued from page one)

It was with impatience "bucked" but with little difficulty were overcome and soon Field's Station was reached and Jack McCarthy greeted the bunch. He was entrusted with the job of press agent for the Andrews country which was to be visited on the return and the party soon sailed over the fertile Wild Horse Valley with its fine roads on the last lap of the trip to Denio which was reached that evening and where a party welcome awaited. A big dance and supper was to come off that night and the people came for many miles to take part and add their "bit" as it was a Red Cross benefit. The writer found so many old time friends at Denio that his time was fully occupied in greetings until the dance started. There were many others to meet and at an opportune time Mr. Jean Bathrick, chairman of the Red Cross Auxiliary at Denio, asked attention and introduced the visitors who addressed the people briefly on their mission. After the dance was resumed and the people enjoyed a social affair such as these people can. It was like a big family. Everybody knew everybody and the best of feelings prevailed. It was inspiring to note the earnest interest and concern of the people here in the success of the big war and their sincere desire to help. The dance and chicken supper resulted in the sum of \$135.50 for the Red Cross, the total expense was \$17.00 even though one of the musicians Albert L. Bilodeau, came 37 miles to do his part toward the success of the affair. The chicken supper was donated by the people of the vicinity and provisions were brought for miles by the ladies who had been asked to contribute. Mr. and Mrs. James Dillon, Mr. and Mrs. J. Bathrick, Mr. and Mrs. Dell Defenbaugh, Miss Eunice Catlow, who is teaching together with Mrs. Jess Alberson who generously gave her dining room and the hall was also donated by the Albersons, were among the active committee in charge of the entertainment. There were other good helpers but the writer did not get the Catlow had charge of the floor and names of the committee. Edw. J. put "pep" into the crowd.

The following day the party returned to Andrews where a meeting was held following a nice supper prepared by Mrs. Geo. A. Smyth at the Smyth Hotel which they are now conducting themselves. Following this meeting the bunch drove back town to Field's a distance of 17 miles, in order to get that far on the journey the following day as Catlow was the destination for noon with a chicken dinner prepared and it wasn't the intention to be late. Mr. and Mrs. Blair took care of the party for the night and gave them a good breakfast before leaving the following morning.

The Benson school house was reached at 12:20 and a fine crowd was gathered there for a meeting of the North Catlow Progressive Club and dinner. The visitors were made welcome and immediately the meeting was called to order by the acting president, Mr. Kochensperger. After the minutes and routine work of the Club had been attended to the visitors were invited to address the meeting and the purposes of the visit were briefly explained and while a cafeteria luncheon of chicken, salad, coffee and all kinds of good things were dished out the local people got together and named the committee for Catlow.

This was one of the big surprises of the trip at the Benson school house; a more intelligent gathering of fine men and women could not be found anywhere. The school house is modern with late innovations in the line of heat and ventilation. And the Club, its objects and purposes was another revelation. This community is given mention in another story aside from this article.

Diamond was the next objective point and by coming down through the P Ranch and along the canal to the Grain Camp the distance was shortened by going through the fields, although Donegan earned his passage by opening gates. At Diamond the party found most comfortable quarters at the Diamond Hotel which is conducted by Mr. and Mrs. Chas. Moore. This is a fine hotel for the interior and the accomoda-

tions are exceptional. Here several came in and discussed the war measures and a committee was appointed to readily understand that these ed to look after the urgent things.

The following morning the bunch embarked for Narrows and at noon met a number of people of that vicinity and the Warm Springs section and a strong committee appointed to take care of that vicinity.

On the trip the members of the party acted in every capacity within their power. Consulted with people not only along war measures but advised on Red Cross, helped with registering the ladies, talked community interests, schools, assisted in making out income tax returns, conferred with interested parties on food conservation and many other things of common and mutual interest. The men are glad to have been of service to their neighbors and are also glad of having the opportunity to meet some of the big-hearted, loyal citizens and find them true blue. It was a matter of favorable comment during the entire tour of the hospitality shown and consideration given the visitors and the earnest desire of all to help in the work of winning the war in any manner within their power.

The committees appointed in the several communities are:

Denio—James Dillon, chairman; Jean Bathrick, J. E. Rounseville, M. M. Doan, John Beatty.

Mr. and Mrs. Chas. Moore were among those from a distance to be present at the P. P. P. dance last night.

Frank Fowler, who resides on one of the N. Brown & Son places near town, donated two sacks of potatoes to the Red Cross last night and at the dance they were disposed of by people taking chances. Numbers were sold at 10 cents each and Morris Schwartz won one sack but the writer did not learn who held the other lucky number. The potatoes brought \$13.95.

Mr. and Mrs. J. J. Lampshire and Mrs. Mrs. Roy Moulten and her little son arrived home last night. The ladies had been absent since the fore part of last month visiting with their mother in Eugene and relatives and friends in Portland. Mr. Lampshire had been down to Portland for a couple of weeks taking in the auto show. Roy Moulten met them at Crane and brought them in.

F. cemetery here, the service being conducted this afternoon at 2 o'clock by Harney Lodge No. 77, deceased having been an Odd Fellow in good standing. Rev. Mr. Ellis was widely known in this section and was a man of strict integrity and an upright citizen. His sorrowing daughter has the deep sympathy of many friends.

The following poem is one written by Miss Pearl Ellis:

No more suffering, no more pain
Struggle and turmoil ended;
Peacefully he fell asleep
Homeward his way he wended.
Gently we lay him to rest
Whispering, "God knoweth best."

The Harney County High School Red Cross Auxiliary will give a masquerade in this city on March 15.

The people of the Denio section are pleased with the prospect for a three-times-a-week mail service connecting it with this portion of the county. Advertisements are out for bids for such a service from Crane.

Mr. and Mrs. Patterson came over from Diamond yesterday in company with Mr. and Mrs. Moore. Mrs. Patterson was slightly hurt while coming in by being thrown forward when the car struck a chuck hole and bruised her face somewhat but it is not serious.

Burns defeated Harney at a basket ball game in this city Wednesday night.

James Mahon informs the manager of this paper that he had the pleasure of a visit with John Gilcrest at his home in California recently and was delighted to find him so well situated and enjoying better health. Mr. Gilcrest has a fine bearing vineyard, a beautiful home and everything one might ask for comfort. He has recently constructed a reservoir on his land and is devoting a portion of the fertile soil to alfalfa.
