HOME PRODUCTS SHOULD BE GIVEN PREFERENCE.

This page is devoted to the advertisements of manufacturers and dealers of Oregon produced goods and our readers are asked to bear this in mind when shopping. Home products are desirable and should be given preference in purchasing supplies when possible. If it is produced in Harney county take it first but if not in the county then favor the State man who is giving Oregon men employment and who is keeping the money at home as nearly as possible.

Store men of Burns handle the goods advertised on this page. It is a matter of economy to ask for these brands when trading as it is brought to this town cheaper than from a longer distance. It saves the cars for other freight that may be needed by the men who are fighting our battles over across and who must have our first consideration.

Note these advertisements and then ask your merchant for that brand of goods when you go to the store.

Figuring it right down to the last analysis, it's up to the people of this country to decide which they like the most, their boys or their stomachs. One or the other must be denied. Which?

Probably the reason why fighting never strikes twice in the same place is because the place isn't there after the first strike.

The world may, as some one has asserted, accept us at our own valuation, but we don't often catch it in a buying humor.

If the critics would spend the same amount of energy in the effort to prevent the Government making mistakes that they spend in denunciation, the per cent of errors would be much smaller.
