FOR SALE—If taken at once \$475 Wesson Bros. Cabinet Grand Piano for \$200 cash. This is a snap and well worth investigating. For full information inquire at this office.

R. T. Huguet returned the fore part of this week from San Deigo, California, where he had spent the winter. He has gained in weight and says he feels in keeping with his looks and that he's 100 per cent. Mr. Huguet enjoyed his vacation but is nevertheless happy to be among his old time friends again.

Mr. and Mrs. Duncan McRea were up from their farm home near Riverside Tuesday on business before the land office. While here they took advantage of the time to greet their many old time friends. Mr. McRea is one of the pioneer stockmen of that territory and is well known to the old time residents of this community where he is held in high esteem.

George Willett, Inspector of the Western Division of Bird Preserves of the U. S. Government, is here to take temporary charge of the Malheur Lake and other game bird preserves formerly under the care of Frank Triska, who is called in the army draft. Mr. Willett has asked for a few days leave for Mr. Triska until he has gone over the territory with him and becomes familiar with it.

Quite a number of our stockmen spent the fore part of the week at the annual meeting of the Oregon State Cattle & Horse Growers Association at Ontario. There was a three day session of the organization in our sister city and we know that the boys were most hospitably entertained for the people of that town know how to treat guests. Among those from this immediate vicinity who were there are Phil Smith, Billie Smith Albert Oakerman, Sheriff Goodman, E. C. Eggleston, Fred Otley and others.

For Sale—40 acres adjoining Burns. See J. J. Donegan.

Dot Davis has gone to Riverside to take a position in the shearing plant for the season.

Mrs. L. M. Hamilton is disposing of her millinery stock at wholesale prices. The ladies of this vicinity should take advantage of this opportunity.
See her at once.

A. McKenzie, the pioneer stockman of the Narrows section, was a business visitor to our city the other day. When accosted by the newspaper man as to his personal conduct he stated he was too busy at home helping to raise beef and farm products for the boys in the trenches to get into any meanness.

School Supt. Clark left Sunday afternoon for Crane to take the train for Ontario the following morning to be in attendance on the Cattle & Horse Growers Association convention which held a three days' session there during the present week. Mrs. Clark visited her sister for a short time while in that town.

County Manager James Donegan of the Third Liberty Loan Drive, left the fore part of this week for the southern part of the county to look after some matters connected with the drive. So far Harney County has come up handsomely above the quota but the collecting committees are still on the job and will make a thorough canvass of their respective districts during the allotted time.

Sidney McNeil is the daddy of a boy who arrived on last Wednesday morning early. Sid was informed over the phone from his place of the advent and he immediately jumped into his Ford car at Crane and started for Burns at a rate of speed that threatened breaking the law. No telling what might have happened had not a wheel come off the other side of Lawen which caused him to come down to earth and collect himself somewhat. He found Dick Otley at Lawen and when told of the importance of his reaching Burns Dick realized his feelings and volunteered to bring the excited dad on up and as he would not permit Sid to drive the journey was made in safety and Mrs. McNeil is not a widow as otherwise she might have been.
