

THE END HAS COME!

Your Last Chance!

THE FINAL CALL!

For The Complete Disposal And Closing Out of

I. Schwartz's Entire Stock

DON'T MISS THE LAST AND BEST DAYS OF THIS MIGHTY SALE

NOTICE

Don't confuse this with the many so-called special sales to unload, raise money or reduce stocks. The ill health of Mr. Schwartz compels us to make this desperate and final effort to close out our stock, and if people could only realize what they are going to be compelled to pay for merchandise next season, they would appreciate the importance of this sale for we are actually selling every day needs and necessities of life for less than the present wholesale or market value today.

We have been with you many years and have stood the acid test. Every word, every statement and every promise we have made during our business career has been lived up to to the last syllable—we shall follow the same policy, the same business principles, until we close our doors for good. We are now negotiating for the sale of this entire stock to other parties, but before making the deal we decided to give the people of this vicinity one more chance to buy not only present, but future needs, at prices less than you will ever be able to buy at again.

If we tell you the end of this sale is going to be one of the greatest and mightiest merchandise slaughters you have ever witnessed, you know what to expect, for it is positively a SACRIFICE, positively a cutting and slashing of prices unprecedented in the history of Burns, and right now at the time when merchandise of all kinds, especially SHOES, FURNISHINGS, DRY GOODS AND GROCERIES, are going up sky-high in price, so you may go as far as your imagination will carry you, then come to this store and sale during our last days and be sure of not being disappointed.

We say it is not only the duty of every man and woman to come to this sale, but that one would actually be committing a crime against himself and family by neglecting this wonderful opportunity. Think of this great sale, coming as it does during a time of war, when everyone is urged to economize and save—you can positively purchase groceries and every day needs here for less than present wholesale value—THINK IT OVER. Think of the savings, then you will realize the great importance of this sale, which is absolutely and positively the end of I. Schwartz's store.

EXTRA SPECIAL!

Everything you eat is going higher and higher in price, and right here at this store and sale you will find thousands of dollars worth of staple groceries being sacrificed at less than whole sale cost in almost every instance and with few exceptions, there is no limit to the amount you can buy. We will consider bids from merchants for any or all of this stock of groceries.

Every Article in This Immense Stock Sacrificed

Please Read and Remember:

We are positively retiring and quitting business for good. This is the last and final call for this stock must and will be sold and the affairs of I. Schwartz settled and closed forever. Because of the ill health of Mr. Schwartz all speed possible must be made in the final closing out of this stock and there will be no let up to the cutting and slashing of prices until every dollar's worth of merchandise is sold.—Nothing will be saved.—There will be no dilly-dallying about this greatest of all closing out sales. Everything must go and go quickly, regardless of cost or present value of merchandise. Please bear in mind this is the last and final drive and remember it is a matter of only a few weeks when we close our doors for good; so by all means take advantage of this last and wonderful opportunity to save, for the great world's war is not only sending prices up in leaps and bounds, merchandise is going to be scarce, hard to get and of an inferior quality. So let this last call be a good warning.
