Make This Room Yours
Whether you are building a brand
new home, making additions to the old
one or merely repairing walls, you can
have a room like this if you use genuine
Beaver Board.
Beaver Board walls and ceilings are more
handsome, more substantial and more sanitary
than any other kind. They are the easiest
walls to build. No lath or plaster—therefore,
no litter. Beaver Board always gives satisfac-
tion. But you can't expect Beaver Board
results unless this trade-mark is on the back of
the board you buy.

If you keep a thing long enough
it comes to its use at last. In the
armorers' work shop of the Metropoli-

helmets and breast plates for the
American army overseas. Among
the ancient tools are several hun-
dred different types of hammers,
curious shears, and instruments the
very names and uses of which are un-
known.
