

**PRESIDENT WAS HER WEDDING GUEST**

It falls to the fortune of few American girls to have the president of the United States a guest at their wedding. Of course, that is just one of the reasons why Mrs. Charles Greene Grimes is so happy in this picture. She is the daughter of Postmaster General Burleson. She has just wed Ensign Grimes—after doing her bit as a yeowoman in the navy.

**BROTHERHOOD OF MAN**

It would appear that the coming Christmas season will show more of this heavenly spirit, at least in this country, than the world has seen since shepherds watched their flocks by night.

All recent campaigns for funds showed new cause for hope for humanity.

When one sees a Jewish rabbi, a Catholic priest, two or three Protestant clergymen, a W. C. T. U. madam president and three Y. M. C. A. workers meeting in the same room, and agreeing on a campaign, one has seen what seldom this harred world has viewed.

The fellowship of creeds and sects in a big work for the redemption of the world.

Everywhere we may see, if we will only look deeply, the crumbling of the barb wire barriers of creed. Barriers so repeatedly raised that some churches had 15 different organizations, each striving for converts—no not converts, adherents—in the same field.

Already the Protestant churches are dividing the home and foreign field so that one strong church, instead of from three to eight weak ones, are supported in rural communities and in mission districts.

The Catholic has discovered that, under the skin, the rabbi is his brother, and the staid ladies of the W. C. T. U. have found the Y. M. C. A. chaps are Christian gentlemen, though they may deliver cigars to doughboys, and have pool games in their army huts.

Tolerance, mutual understanding, a fellowship for the doing of good works.

These come through the war, and will remain.

The forces for good can reclaim the world in a decade if they will fight the devil instead of each other.

**GOES THIRTY MILES TO GET MORE TANLAC.**

Throws Walking Cane Away After Being Relieved of Rheumatism, Gains Fifteen Pounds.

"When I first started on Tanlac I was so crippled up with rheumatism that I had to use two walking sticks in order to get about at all. But, after taking four or five bottles, every pain was gone, and I have actually gained fifteen pounds besides."

The above statement was made by William Choate, 34 West Riverside Ave., Spokane, Wash. recently. "Rheumatism," he continued, "was only one of many troubles Tanlac relieved me of. I had suffered from a bad stomach for twelve or fifteen years. I couldn't eat scarcely anything but what gas would form and almost cut off my breath, and bring awful faint weak feelings over me. There was a terrible hurting in the pit of my stomach, and if I ventured to eat anything except the lightest food it would almost put me out of commission."

"This was my condition a little over a year ago when I made my mother and brother over in Iowa a visit. Soon after I got there my troubles got worse. My kidneys started bothering me, I had awful pains in the small of my back, and constantly had headache. Then started in a siege of rheumatism which I will never forget. I was laid up for six months and was flat on my back for several weeks hardly able to move. It started in my legs, then got in my arms, and the pain was something awful, from the tips of my fingers to my toes."

"When I did get up I was in such a bad shape I had to use two canes in order to get about at all and this is the fix I was in when I got Tanlac. I read the statement of a man in the paper one day, that fit my case exactly, and decided to see if it would do me any good. Well, to make a long story short, Tanlac simply did wonders for me. Before I finished my second bottle, I threw my canes away, and could walk as good as anyone. And eat; why, I never had such an appetite. All the sourness left my stomach, my headaches disappeared and I haven't had a touch of rheumatism to this good day. One of those bottles of Tanlac I drove 30 miles to get, our local druggist being out at the time, and I would do so again under the same circumstances. It's a real pleasure for me to recommend Tanlac, and I will gladly tell anyone personally what it has done for me."

Tanlac is sold in Burns by Reed Bros. and in Crane by Vale Trading Co.

**TO PROMOTE HIGHWAY RAPID-MOTOR SERVICE**

(Continued from page one)

of the great country behind our shores down to the shipping points before we can start our ships from the ports and fulfill our duty, and with the promise of the war's end before us the highways transport committee throughout this land could and should render a peace-time service by stimulating highways transport of nourishment and supplies so badly needed. Routes and channels from shipping points must be opened up and efficiently maintained, and our merchant marine must be built up to meet the demands for distribution overseas."

With the establishment of the rural motor express giving regular daily service over fixed routes, with definite schedules of stops and charges, starting in the country and gathering farm products and delivering them to the city, and on the return trip carrying merchandise, supplies, etc., for those along the route, the farmer will be as advantageously situated in every respect as if directly located within the city. The co-operation of the Federal Railroad Administration has been assured and were formerly congested terminals and shortage of equipment caused great delay and wastage, there will now be put forth every effort to avoid any such recurrence by the rural motor express and motor short hauls in the cities.

The great need always is for the early encouragement of enterprises seeking to pioneer. If the farmers and merchants will understand and utilize the service as soon as it becomes available they will be the great gainers from such service.

All those organized at this time and those contemplating organization should send in their names and routes to the highways transport committee, addressing same as follows:

In the state of Washington, state chairman, W. C. Baldwin, 722 Broadway, Tacoma, Wash.

In the state of Idaho, state chairman, W. H. Turner, of Kimberly.

In the state of Oregon, state chairman, Amos Benson, Yeon building, Portland.
