#### FUTURE GETS "BLACKER" EACH YEAR NOW FOR JOHN BARLEYCORN.

The future is evidently "black" for the adherents of John Barleycorn, if the accompanying map may be taken as a criterion as to the way the wind is blowing. The recent elections added four more big, black spots. Florida, Utah, Ohio and Nevada, to the lists of "dry" states. There are now thirty states dry, thirteen wet and four local option. Porto Rico and Alaska are also dry. Every state has sections where liquor is voted out.

When our troops come marching; with which we greet them should be enduring popular song of the corner of SE 4 SE 4 of said Sec. 11; the thunderous question, "Pariez- will hereafter be, "Peace on

We trust that the last "hyp good-will to men."
