(Continued from page one)
In 1918 more than \$300,000,000 has been given to the Red Cross by the American people. This is the largest sum ever handed over to any organization for humanitarian purposes and that the Red Cross has fully carried out its mission is attested by the record it has achieved in all parts of the world.

It wants a large membership and the membership will enable it to continue operating. One dollar a person should do much in the hands of the Red Cross, they become important.

Judge H. G. Lavenex and Sheriff Goodrich arrived home Tuesday from Portland where they had been attending a convention of the county officers of this state.
