A rich uncle may die and leave you a roll, but few rich uncles have this habit.

If you get rich, the chances are you will first have to save enough money in order to make an investment that will pay.

There are plenty of investments for the man with a little ready cash.

But it is up to you to save cash. The best policy is to deposit a portion of your salary.

effits he has derived from the use of Tanlac. Mr. Horlocher is a well known carpenter and is employed by the Standifer Construction Company of Vancouver, Washington. "On the 20th day of last March," explained Mr. Horlocher, "I was taken down with an attack of stomach poisoning—ptomain poisoning. I believe they call it—which almost carried me away, and since that time, until I got Tanlac, nothing I would eat agreed with me. What little I did manage to eat would soon sour,

causing gas and terrible pain and misery. I lost my appetite almost entirely, and often just the smell of anything cooking would make me dreadfully sick at my stomach. My food evidently did me no good, as I fell off from one hundred and eighty pounds to one hundred and fifty. I just had to lay off from my work, as I felt too weak and, exhausted for several weeks to even attempt to do anything. Just climbing up the stairs to my room would exhaust me and, take all of my energy. I was constipated all the time, had headaches, and noticed that my nerves were going all to pieces, as I could n't get a good nights sleep. Nothing did me any good, and I had become uneasy and worried about my condition.

"One day while in the Owl Drug Store I happened to overhear a lady who was buying a bottle of Tanlac, tell the man who was waiting on her, that she had been suffering from stomach trouble for years, and that Tanlac was the only medicine she had ever taken that did her any good. Well, she didn't know it, but just that little remark of hers sold me a bottle of Tanlac right then and there

and if I only knew her name I would like to thank her for putting me onto the thing that has given me back my health and strength. My stomach feels now like it is in just as good shape as it ever was. And such an appetite as I do have! I believe I could eat five meals a day without suffering a particle afterwards. By using the Tanlac Tablets in connection with Tanlac I have been relieved of constipation, and I am never bothered any more, with headache. I now feel a hundred percent strong and well, and am putting in full time at my work and I certainly do think Tanlac is a great medicine."

Tanlac is sold in Burns by Reed Bros., and in Crane by Vale Trading Co. —adv.
