This is an age when it takes money to make money, and without it you can do little or nothing.

Start a checking account today, and let its possession lead the way to greater prosperity.

Died—Yesterday morning at her home in this city, Mrs. Harry Buck. The report of this death came as a shock to the community as it was not known to many that the lady was ill. In fact she was ill but a short time. Dr. Saurman was called to see her a short time before her death and reports the cause being paralysis of the throat. Mrs. Buck formerly resided at Denver, Colorado, coming here about five years ago and was married to Harry Buck shortly after her arrival. Her husband is in the U. S. navy, having volunteered his services at the beginning of the war. The last communication she had from him was from Cuba. However it is believed he has again returned to an Atlantic port and an effort is being made to locate him. Telegraphic advice from a brother of Mrs. Buck in Denver instructed the body to be held here pending the arrival of a brother or sister to accompany it to Denver where interment will be made. Deceased was a very gracious lady who had won the esteem of her acquaintances in this city.
