THE FIRST NATIONAL BANK OF BURNS. CAPITAL AND SURPLUS \$100,000. "THE BANK THAT MAKES YOUR \$\$\$ SAFE." ACCOUNTS INVITED.

Rev. Hill, an uncle of Rev. J. F. Mobley, the Baptist pastor, is here from Texas and will begin a revival meeting in the Reed building just across the street from the post office tomorrow.

Mrs. May Eggleston called at this office the first of the week and reported that the Oregon Life Insurance Co., which she represents in this territory, had subscribed \$1,000 for Victory Bond in this county.

Walter George and Floyd Jones are two of the latest return soldiers. The former is a son of Adam George, the latter the son of Mr. and Mrs. A. D. Jones. Both were discharged at Camp Lewis the fore part of this week and came immediately home. "Pat" George told a friend he would not exchange his army experience for the sum of \$10,000. He has gone on down to his home at Lawen.

Marshal McDonald, who is also street commissioner, has men and teams at work improving Main street with a dressing of gravel where it is needed. This is in line with the suggestions made at the open meeting of the council last week when the general clean-up was determined upon. It is a move in the right direction and should include improvement of some or most of the side streets. Several new crosswalks are being included in the present work.

LOWER PRICES SOON ON FARM EQUIPMENT

Judge Elbert H. Gary, chairman of the U. S. Steel Corporation, indicated which way the wind was blowing when he announced the recent drop in the price of steel. This means a corresponding reduction in cost on all farm equipment. This new picture of Gary was taken at Washington during a government conference.

WAR WORK WINS HER PEACETIME REWARD

Unflinching service on two fronts during the world war won reward for Miss Lucy Minnegrode of Fairfax, Va., just appointed superintendent of the United States Nurse Corps, by Surgeon General Blue. She distinguished herself at Khat, Russia, in 1915, and returned after the United States entered the struggle.

Rid Her of All Her Pain. Mrs. E. Wayne, 2726 3rd St., Ocean Park, Calif., writes: "I am thankful to say Foley Kidney Pills rid me of all my pain. I advise anyone to try them after the good they did me." Backache, sore muscles, stiff or swollen joints, rheumatic pains, are indications of kidney trouble. Foley Kidney Pills are safe and reliable. Sold by Reed Brothers.

The final item seems about to be charged to the war as the cause of trouble—namely—"Royal divorces"—Former Empress Zita, of Austria, and Crown Princess Cacilie, of Germany, are the women in the case. Empress Zita is a descendant from a long line of Italian and French kings or ruling nobles. She always considered herself an Italian princess. Now her royal Carl is reported to consider divorcing her on the ground that she assisted Italian victories. Report was current that the ex-crown Princess of Germany contemplated divorce. Now comes rumor that the ex-crown prince, from his prison island, says he may divorce his wife—but for what reason, no one can imagine. Here are the "women and children" of the two families.

Easy to See Through New Designs

It's easy to see through spring and summer clothes designs this year. They're all made that way for woman, thin materials predominating in all garments. This stunning walking costume for general wear features a block print taffeta skirt, which a few seasons ago would have been called a sport model, worn with a waist of maize georgette, quilling trimming of the same material is used in a wide width on the round neck and pyramided in the colonial front. Any observing person knows that such dainty costume could not be worn without stockings of silk and corresponding thinness.

Berlin has a union of maid servants who have set their own conditions of hours and wages. There are probably not enough maid servants at present in America to form a union at all.

Peter Christensen was up from his home at Lawen the first of this week.

Mr. Short, a brother-in-law of G. W. Clavenger, is here from Fayette on a visit. Mrs. Short had been here for a few weeks, having come when their son contracted influenza, and Mr. Short joined her yesterday. The son has recovered his health and gone home.

Misses Gladys McKinnon and Violet Richardson, both of whom have been operators on the local telephone board, have resigned their position to be effective May 1. The young ladies are going to Seattle where Miss Richardson has an aunt and where they expect to get employment. Their many friends in this city regret their departure but wish them success.

Patients receive the best of care at the Firewood Maternity Hospital.

Cut this out—it is worth a money.

DON'T MISS THIS. Cut out this slip, enclose with 5c to Foley & Co., 2535 Sheffield Ave., Chicago, Ill., writing your name and address clearly. Everything for Everybody

Anything for Anybody

BUY IT FROM US IT PAYS

This is a general store and we are supposed to sell everything, and we live up to the general supposition.

You can buy anything you want here, from hardware to groceries, from needles to a good smoke.

It pays to buy from us, because we sell for cash, and an enormous amount of goods, and we can therefore sell at a closer margin of profit than some others.

You CAN'T lose, and you WILL gain. Now doesn't this line of argument appeal straight to your good common sense?

DELCO-LIGHT The Complete electric light and power plant

Specified and used by the U.S. Army and Navy the Red Cross and the Y.M.C.A.

More than four thousand Delco-Light plants were delivered for war work. They were used to supply electric light in camps, storehouses, hospitals, Y. M. C. A. huts, airplane hangars, sub-chasers and other branches of the service.

In Red Cross hospitals at the front, Delco-Light operated life-saving X-ray apparatus.

Delco-Light was specified by the Government because it is dependable, efficient, simple to operate,—requires little attention, and because it is AIR-COOLED.

The result of Government tests and the satisfactory use of Delco-Light on over 60,000 farms are your assurance that Delco-Light will give you the same dependable service.

It betters living conditions,—increases farm efficiency, and soon pays for itself in time and labor saved.
