Yes, we are a law abiding, peace loving, God fearing nation. We only have profiteering, strikes, riots, race wars, Bolshevism, and a few other mild forms of amusement too inconspicuous to mention.

One excellent way to reduce the high cost of living is to read the ads in this paper regularly and take advantage of the special offerings that are made each week. Pennies thus saved will soon grow into dollars earned.

Some want government ownership of public utilities, some prefer private ownership, and yet another class do not know what they want. And if business conditions do not become more settled soon we may reach the point where nobody will have anything.
