LOCAL HAPPENINGS

Geo. Cawfield was in town this week.

J. L. Sitz was a visitor from the Drewsey country the fore part of the week.

Mrs. H. Dixon is residing in the city this winter in company with her grand-daughter, Delphine Whiting, who is attending the high school.

Carl Owsley fell from a hay stack one day the first of this week and sustained a bad sprain from which it will take some time to recover. He has to go around on crutches.

A. A. Traugott informs us that Percy Kendall has purchased the McDuffy residence property just over the grade on the approach to town on the north, paying \$850 for it. This is a neat little home property.

Mr. and Mrs. E. S. Brown, who reside in California, were here for several days recently visiting with L. F. Wiseman and family. Mrs. Brown is a sister to Mrs. Wiseman. They left for their home early in the week.

Mrs. Fred Racine arrived here from Portland last Friday and will remain in this city for the winter. She has been residing in Portland for the past two years, but her health has improved and she is trying this climate again. She and her son are living at the J. R. Gould residence.

Mrs. V. L. Snelling and Mrs. M. M. Barry, mother and sister of Mrs. C. M. Faulkner, are here from Lake county visiting with the Faulknors. They will remain for a few days longer. Both are quite well known to citizens of this city as they have visited here in the past, and are always sure of a hearty welcome.

Leland Fry and Grover Gould added some machinery to the electric light plant during the week with the intention of giving additional power during the heavy load. However, with recent rains it will soon be possible to use water power in the near future which is more satisfactory to both the power people and their customers.

Roy Dwyer, writing to a friend in this city, states that he is now discharged from the service and is in Kaspar, Wyoming. Lieut. Dwyer was about to receive his discharge at Camp Lewis in July when he received telegraphic orders to report to San Antonio, Texas, in connection with reconstruction camp work there. He was in the same kind of work in Camp Pike, Arkansas, before coming west this summer.

Ira Gabrielson, the U. S. biologist in charge of rodent pest work in this state, had the pleasure of a visit from his brother, Guy Gabrielson, during the week. The latter is secretary to the congressional committee that has been investigating matters in connection with the spruce production division of the army service in Portland recently. The young man had a short time at his disposal and came in by way of Bend from Portland to meet his brother. Ira took him out to Prairie Wednesday morning in time to catch the train out, as he had reservations on the east bound out of Baker that night. It was necessary to make such a hurried trip in order to meet his appointments. Ira and his assistant, Mr. Jamison, went on to Pendleton for a conference there before returning to this city.

Bramwell Says Store water

(Continued from page 1)

The suggested daily mail service between Bend and Burns was again brought before the club and a committee appointed to secure data with which to supply Mr. Bramwell. There is but a short gap between present mail lines operating out of Burns and Bend which might be closed up.

The lack of mail service has caused much dissatisfaction to the residents of Harney county and is one that is going to be given immediate attention. The department is going to be asked to establish a connection between this city and Canyon, as it was in former years. Since that route has been discontinued many people have been deprived of mail service and inconvenienced. It is pointed out that the postal department is not for the purpose of making money but for service, and it should serve the people.

The Burns Commercial club became a member of the State Chamber of Commerce by vote last night and is now in a position to ask its aid in working out problems of general interest and advancement.

SPECIAL DISPLAY COATS, SUITS, AND DRESSES, OCTOBER 2-3-4.

Mrs. E. F. Schwartz announces that she will have a consignment of the Foster Cloak & Suit Company's coats, suits, and dresses on display in her store on October 2, 3, and 4. The salesman promised is unable to come, but the display will be made. Customers may choose garments from this stock and take them home at once, or order for future delivery. This is an opportunity that ladies of this vicinity should not miss, as they will be able to see the garments they wish to buy. 9-27

Mr. and Mrs. Archie McGowan arrived home Thursday from their extended outing grip to southern Oregon and other points of interest.

Mr. and Mrs. Jack McGuire have gone to La Grande where they will visit for a time. Mr. McGuire has closed out his business here and expects to go to Texas where he has a brother located in the oil fields. Mrs. McGuire and little son will remain at the home of her parents until Jack is permanently located.

A very pleasant party is reported at the Baptist parsonage on Friday night of last week, participated in by members of the Baptist Sunday school. Among those present were: Misses Bernice Harkey, Cora Shepard, Florence Picklesimer, May Brittingham, Mary Picklesimer, Goldie Stahl, Ethel Richardson, Clara Kesterson, Dorothy Keeney, Frances Sperling, Ella Owens, Alice Sperling, Lillian Vulgamore, Jessie Shepard, Delphine Whiting, Helen King; and Masters Willis Sweet, Savage, Kenneth Crozier, Henry Baker, Ralph Swett, Roy Jennings, John Gwalt. All report a delightful time.

RESOLUTIONS.

Burns Chapter No. 40, Order of the Eastern Star, Burns, Oregon, September 18, 1919.

Resolved, that we extend to the wife and family our heart felt sympathy.
