LOCAL HAPPENINGS

Ralph Catterson was up from Lawen during the week. Herman Ruh was in town the fore part of this week on business. McKinley Thompson was among out of town visitors during the fore part of this week. The annual P. P. P. Ball will be given at the Masonic Hall on Feb. 21. Geo. S. Miller, one of the old time stock men of this county, is greeting his many friends in town after being absent for some time. Robt. McKinnon was over from his ranch in the Calamity country during this week visiting with relatives and friends and looking after some business affairs. Mr. and Mrs. Claud Smyth were in town Monday on some business before the local land office. Leonard Locher and Albert Swain went to Crane Tuesday afternoon to be in readiness to take a civil service examination in connection with the filling of the vacancy of the post office at this place. They were disappointed in not finding any one at Crane to conduct the examination on the day named and returned home that evening only to find upon their arrival a phone message that Darrell Hower, a former Harney county high school student, had come in from Ontario to conduct it and the boys immediately returned to Crane and took the examination the following day. Darrell is now in the civil service and an employe of the post office at Ontario. He came up Thursday night for a short visit before returning to his duties.

The editor and associates clear down to the devil claim and stoutly maintain that the columns of their great religious weekly are the best high lights in the world of advertising in Harney County. So we are taking that advantage of you in announcing that we are still in biz and prospering a wee.

Furthermore, whether or not you have read this far, we have some Perfection Heaters for cold bed rooms, cellars, baths and so on, and a good line of

INQUIRY ABOUT HARNEY VALLEY

Register Vic Cozad of the U. S. land office returned this week from a vacation trip to Portland where he spent a couple of weeks. Mr. Cozad said he found the hotels crowded all the time, also the trains, and that reservations on the sleepers were hard to obtain, although the number of trains had been augmented recently.

Mr. Cozad said that he had never encountered more interest or inquiry about this part of the state on any former trip to outside points. The irrigation projects are being discussed and the proposed land sale of the P. L. S. Co. is also much discussed. From what he observed there will likely be quite an influx of people the coming spring attracted by the possibilities of the irrigation development and the purchase of the lands to be placed upon the market.

HONOR STUDENTS AT THE HIGH SCHOOL

The following students are reported by the principal of the Harney County High School as honor students for the first semester: Gladys Byrd, Edna Ickenson, Ruby Dickenson, Frances Donegan, Frank Loggan, Neil Miller and Denny Swett. The latter is the only pupil to not fall below 90 in any of her studies for the entire semester.

Examination in the old and new Testament was given Friday at the high school, the questions being prepared by the State Department of Public Instruction.
