**Will SOMETHING Happen to make you rich?**

A rich uncle may die and leave you a roll, but few rich uncles have this habit.

If you get rich the chances are you will first have to save enough money in order to make an investment that will pay.

There are plenty of investments for the man with a little ready cash.

But it is up to you to save cash. The best policy is to deposit a portion of your salary.

A Bank is better than a hole in your pocket through which your money can slip away.

**Words of Cheer**

In these days of high prices, words of cheer are the ones you want to hear. We have them for you.

During the coming year we will use our utmost endeavor to discharge our deep obligation to our customers by effecting a substantial reduction on the price of every article we sell, where it is humanly possible to do so.

We can not control the prices in the wholesale markets, but we can and will continue to regulate our own profits in such a manner that customers will not only be amply protected, but will be actually favored in every sale we make.

We have no well rounded and glowing effulgence of thanks to hand you in a choice exhibition of rhetoric, but we do offer you our sincere gratitude for your patronage of the past year. It will be our pleasure to serve you even more acceptably in the year to come.

**WHEN a Farmer writes a letter**

What do you expect? That it will be on a blank sheet of soiled paper that has been rusting on a dusty shelf for months?

Not a bit of it.

The farmer's stationery is as important as his automobile. He is a business man, and he does business in a business like manner. He may raise hay, but you never find it sticking out of his boots.

We print letter heads, envelopes, bill heads, business cards, etc., for farmers. No chance for a correspondent to make a mistake in the name, or in the address, when it is plainly printed on the letter head and envelope. No chance for purchases to go astray in the mails.

The next time you are in town stop into our office and use your eyes. Then you will want to use printed stationery.
