SPERLING THE PAINTER House Painting—Auto Painting Sign and Pictorial Painting INTERIOR DECORATING PAPERHANGING, AND TINTING FIRST CLASS WORKMANSHIP Staining, Graining and Marbling

A lot of foreigners, it seems, have returned to their native countries because the United States is too dry for them. They are not of the most desirable class of our foreign population. Now if the rest of our objectionable aliens will annex a mighty thrist and flit to the other side we'll admit a genuine, wholesome Methodist "Amen."

FOR JOINT SENATOR

I seek the republican nomination for joint senator for the twenty-second Senatorial District at the coming primaries. If nominated and elected I promise to the District an honest service and will take my oath of office unpledged to any person or interest. I am a liberal and not a reactionary or radical; and especially so as to public expenditures. Economy should mean thriftiness. Public expenditures demand a reasonable promise of material and social benefit. Irrigation and drainage under special assessments; good roads; protection of grazing lands and of the public range for the good of the livestock interest as a whole; betterment of mail service; improvement of facilities of branch line railroads; are among the important local needs. Roads and postal service in country districts are the only visible returns from taxation, and the burden of taxation should be fairly equalized through these means. On the foregoing statement I ask the support of the republican voters. CHARLES W. ELLIS, Burns, Ore.

ICE-SKATING TITLE BACK TO NORWAY

The American ice-skating champion, Bobby McLean of Chicago, failed to defend his world title in a series of races at Christiana, Norway, for a purse of \$30,000. The photo above is of the European champion, Oscar Mathieson, who beat him, and who in races here last year was defeated by McLean. In the big cities we note that men's hats are being advertised as low as \$15 and \$20. Must be overstocked with last year's crop and forced to unload.
