H. C. H. S. Notes

On account of the prevalence of smallpox in the community and the likelihood of its occurring in the schools it is deemed wise to bring the vaccination law into effect and have the school children in the city vaccinated. This course was not decided upon until the present time for the reason that there was thought to be no exposure to the few cases existing and no danger of an epidemic. Lately there has been cause for a change of opinion and the vaccination is considered necessary.

Signed

B. F. SMITH, M. D.
County Health Officer

Following is the law of this state governing vaccination:

LAWS RELATING

TO VACCINATION

Chapter 204 General Laws of Oregon For 1919

Section 27. Any board of school directors may, on the account of the prevalence of any communicable disease, or to prevent the spread of such communicable disease, prohibit the attendance of any teacher or pupil upon any school under their control, and may specify the time during which such teacher or pupil shall remain away from such school, and may prohibit the attendance of any unvaccinated child, who has not had the smallpox, upon the schools under their control, and shall also have the power to decide how far revaccination shall be required if a case of cases of smallpox have occurred in the city or district.

RULES AND REGULATIONS OF THE OREGON STATE BOARD OF HEALTH

Section 25 (f) If smallpox exists in a community, the county or city boards of health shall provide free vaccination for persons desiring protection against infection. When smallpox exists in a community, no child shall be permitted to attend school without presenting satisfactory evidence of his having been successfully vaccinated within seven years.

The H. C. H. S. has been a fearful rush. Everywhere there has been bustling and hustling and such excitement! Why? Well, we have been preparing for our Art Exhibit, Friday, April 9, at the Commercial Club.

There are one hundred and twenty five prints, in all sizes, of the world's most famous paintings, half in water

color, half in sepia finish, and all on beautiful embossed white mounts.

As this was the regular Junior week for a program, the Juniors put on their program, which they have been working on for some time, besides readings, vocal solos, quartets and duets, and instrumental selections given by students of the various classes. Tea was served just the same to a large number of guests.

The pictures were divided into groups and there was a number of students at each group to explain every picture and answer any questions concerning them. Pastoral scenes, home scenes, portraits of great men, animal life, beautiful buildings, pictures portraying old myths, historical subjects, musical subjects, painted by the greatest artists.

Tickets were sold at twenty five and ten cents. With the money received from this exhibition, the students will buy some of these beautiful pictures for the school building.

The Freshmen met last Monday but merely appointed a few committees to work on the program.

The girls are going to organize teams for Volley Ball. The upper classmen against the lower classmen. Of course, the Senior-Juniors are tall and lithe and graceful but I'll tell you the sturdy, little fat Sophomore-Freshies have sure got the "punch" and that is about all a fellow needs in this old world anyhow.

Straighten your lines! Forward March! Head's H-up! On toes march! So begins our daily gym class. Some day we will be taller than ever before. We shall perhaps come up in sight of the tall Junior-Seniors.

We are having games now and they are much more fun than "arias forward bend," "sideward stretch" one-two-three. Any fine day now you will see us out-doors playing "Dodge-Ball" or "Overhead Ball Race" we are certainly anxious for that Volley Ball meet and Oh! we pray that weather will be nice.

The Junior class entertained the Seniors at a theatre party given Saturday, April 3. A special comedy, Jane and Kathrine Lee in "Smiles," was given and proved to be very good. After the theatre, the Seniors were escorted to the Voegly residence where a most delicious supper was served. The Senior colors, black and gold, were used in decorating and made the table very attractive. Marie Egan, the Junior president, gave a short address in which she wished the Seniors great success; this was answered by Taylor Huston. A most delightful evening was enjoyed by everyone present and the Seniors extended their thanks and appreciation to the class of '21.

On April 7, a student body meeting was held and the officers for the year '20 and '21 were elected: Rex Clark, President; Rollin Gowan, Vice President; and Frank Loggan, Secretary-Treasurer.

The Sophomore program will be given Friday, the sixteenth at the High School building. It will be a "Robert Burns" program and is outlined as follows:

Recitation, "To a Louse"—Gladys Denstedt; Life of Burns—Lillian Vulgamore; Trio, "Flow Gently Sweet Afton"—Hazel Hibbard, Ada Johnson, and June Dalton, Violin accompaniment by Hazel Owsley, pianist Marjorie Byrd; Appreciation of Burns—Frank Loggan; Vocal Solo, "My Love is Like a Red Red Rose"—Marjorie Byrd; Carlyle's Essay on Burns—Jessie Shepard; Lyric, "To a Mouse"—Myrthelene McPheeters;

JOHN GEMBERLING.

Jeweler and Optician
Engraver.
Fine Watch Repairing a Specialty.

Duet, "Auld Lang Syne"—Rollin Gowan, Le Roy Johnson; School notes—Howard Miller.

Every body remembers that the Sophomore program on "Spring" was a great success. This program will be even better.

Arbor Day at the H. C. H. S. was general clean up day. The boys faithfully worked with picks, shovels, and rakes to clear away rocks and rubbish on the school grounds. The girls also did their part by washing black boards, windows and other neglected portions of the building.

The English VI class has been studying "The Tale of Two Cities" by Charles Dickens and much to their delight the story will be portrayed to them on the screen soon.

Next Friday night, the sixteenth, the Sophomores will give their party in honor of the Freshmen. The entire school is invited and a good time is expected by all. We have a nice surprise in store for the Freshmen.

Sunday morning, April 4, at nine o'clock an Easter Breakfast was served for the Faculty of the H. C. H. S., at the home of Mrs. Walkup. Miss Whealdon and Miss Anderson were the hostesses. Covers were laid for nine, and the table was beautifully decorated with carnations and smilox. Yellow and pink was the scheme used by the hostesses.

Other guests were Frances Clark, Mrs. A. Walkup and Mr. Leith Abbott.

Chas. and Rollin Gowan were the drummers for the Public School Serpentine parade.

The Senior class program held on the afternoon of April 2nd was very interesting. Three addresses of merit were given by Jo Cook "Presidential Possibilities," Taylor Huston, "Our Merchant Marine," and Neil Miller, "Europe Today."

It was an extremely stormy day so the visiting list was naturally a short one. Mesdames Schwartz, Donegan, Clark and Huston with Miss Lulu Hayes, were among the few who braved the winds and honored the school with their presence.

The Grand Jury paid us an official visit last week and returned an indictment against the building. The gentle zephyrs were toying with the old edifice in a playful manner, causing sundry creaks and groans, and strangely weaving walls. Eyeing one another and gingerly stepping over faulty boards the members filed solemnly from room to room no doubt non pulsed at the sanguine air of the pupils who apparently paid no attention to the antics of the building.

With every appearance of great relief when once more on terra firma they all nodded when one spoke thusly, "Them teachers is all right and the youngsters are workin' hard but theys one thing sure, we needs a new building. 'Tany rate, fix up things a little until we git one."

And they all echoed "Them's my sentiments tew."

After a severe illness, Miss Whealdon our commercial teacher, has resumed her work at school.

Raymond Horan has left school for the term.

EIGHTH GRADE

EXAMINATION DATES

School Supt. Frances Clark announces the dates for eighth grade examinations have been fixed for May 13 and 14 and June 10 and 11. The program for examinations are: Thursday morning—arithmetic, writing. Afternoon—History, agriculture, spelling. Friday morning—physiology, language. Afternoon—geography, civil government, reading.
