WOMEN LINING UP FOREIGN VOTE

A new phase of political activity is being exercised this year—a direct result of suffrage. It is the forming or organizing of women workers from all foreign-language clubs crystallizing sentiment for different candidates. Mrs. B. F. Langworthy of Winnetka, Ill., well known in the middle west and former president of the Illinois Parent-Teacher Association, is the first woman to take up this work.

WARRANT CALL

Notice is hereby given that there are sufficient funds on hand to pay on all General Fund warrants issued and registered up to and including February 29, 1920. Interest ceases May 11, 1920.

LOOKS LIKE A BIG WHEAT YEAR—IN BASEBALL

It's going to be a big Wheat year—in baseball at least. Because the three Wheat brothers have been very active in many camps. Zack Wheat, eldest, is outfielder with the Brooklyn Nationals; Max Wheat is a catcher with the Philadelphia Nationals; Curtis Wheat, youngest, is an outfielder with the Birmingham Southern League team. Their home is at Kansas City.

Will SOMETHING Happen to make you rich?

A rich uncle may die and leave you a roll, but few rich uncles have this habit. If you get rich the chances are you will first have to save enough money in order to make an investment that will pay. There are plenty of investments for the man with a little ready cash. But it is up to you to save cash. The best policy is to deposit a portion of your salary. A Bank is better than a hole in your pocket through which your money can slip away. Make our Bank YOUR Bank.
