INDIANS TO HAVE ATTENTION

Supt. Babcock of the Warm Springs Indian reservation was here during the week looking after some affairs for the local whites. He was not able to remain as long as he desired but expects to return in the near future accompanied by his physician.

Miss Howell, the community nurse, had expressed a desire to Sam Motherhead, the "white chief" of the Indians, to visit the local Indian camps, and while Mr. Babcock was in town she accompanied him out to look into the camp conditions and found things in rather a deplorable way. In addition to the fifth she found some cases of trachoma that she considered should have attention. Mr. Babcock found she was willing to devote some time to these unfortunate people and will arrange as soon as possible to bring the reservation doctor over to operate on the Indians and Miss Howell will do her best to see that the follow up treatment is properly taken care of provided the Indians will permit it and will do their part.

SUNDAY SCHOOL ORGANIZATION

(Contributed)

A meeting was held at the home of Rev. Tickner and wife on Monday evening May 10th for the purpose of organizing a young peoples Sunday school class and electing officers of this class.

The officers elected were Jessie Shepard, president; Dorothy Keeney, vice-president; Lillian Vulgamore, secretary and Cora Shepard, treasurer.

The name chosen for this class was "The Careful Gleaners" and the colors were to be purple and gold.

The next meeting will be held at the home of the president Jessie Shepard on June 7th.

O. A. C. SAYS THANK YOU.

"The O. A. C. Alumni Association is certainly grateful for those persons in Burns who allied themselves with progress and so willingly gave financial support to the campaign work of the Joint Alumni Relief Committee to urge upon the people of the state the necessity of supporting The Higher Educational Tax Act (H. B. 319) on Friday, May 21. The passage of this measure by the voters will mean that Oregon keeps her place in the educational world and that her state institutions of higher learning will be able to continue to serve the people to the very best of their ability."

Signed G. R. HOERNER, Secretary O. A. C. Alumni Assn.

Harney County High Holds Commencement

(Continued from page 1)

dance given in their honor by the alumni.

The graduating class was composed of Jo Cook, Taylor Huston, Neil Miller, Willis Skiens, Everett Eggleston, Miss Gene Schwartz, Miss Colla Byrd, Miss Gladys Nicholson.

Miss Gene Schwartz was awarded the \$25 prize given by the First National Bank for excelling in English and Commercial branches for two years. Neil Miller was awarded the scholarship in the Willamette University for the highest average in scholarship.

These gifts were most worthily bestowed and met with the hearty appreciation of those present who showed their approval with generous applause.

The commencement exercises were a marked success and were most creditable to the school. A greater interest is being shown in the institution and next year will see a far larger attendance as Principal McDade is taking an active interest in the affairs of the school and will follow his six weeks summer course at the U. of O. by touring the county in the interest of the high school.

STATE HIGHWAY OFFICERS HERE

Highway Commissioner Kittle and Chief Engineer Nunn were in this vicinity during the week making a personal inspection of the work being done in Harney county. They viewed the highway grading between this city and Lawen and also went over the route between Burns and Suntext. They did not give out any interviews during their stay in this city but it is understood that these officers stated that before the State Highway Commission accepted any roads as complete they were first class roads and entirely in conformity with the requirements.

THE SHERIFF IS SOME FISHERMAN

Sheriff Goodman visited the Drewsey and Pine creek sections recently delivering the ballot boxes. On this occasion he had company, going out by way of Shives and over on to the Calamity creek. As the party had quite a drive without food or refreshments, so the sheriff got busy with his fishing tackle and say! Well, the community nurse, the school superintendent and Mrs. Goodman can tell you the rest. It was some feed!

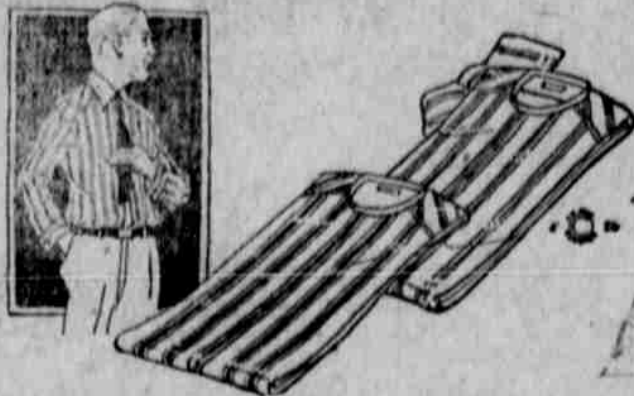

WRESTLING MATCH MONDAY AFTERNOON

Ad. Gustavo and Joe Prime are going to have another wrestling contest at Tonawama on Monday afternoon at 5 o'clock. These men have met before and those who have witnessed their work report them two of the cleverest men on the mat they have ever seen. It will be a good bout and the boys are arranging some preliminaries too. It is hoped to stage this event without interfering with the sessions of the stockmen's convention therefore make it a point to keep posted.

LEADS U. S. SHOOTERS IN OLYMPIC

Perhaps no class of American sportsmen guard their honor with more zeal than trap shooters. This is the man called upon to defend that title in the coming 1920 Olympic games at Antwerp, Belgium. It is Jay Clary, Jr., of Worcester, Mass., who will captain the American team.

Strong minds, indomitable courage and endless patience will be required to restore this country to the normal conditions existing before the outbreak of the European war.

SHORTHORN BREEDER HERE

W. E. Green, a Shorthorn breeder of Union, Oregon, arrived here a few days ago. Mr. Green came in advance of the stock convention for the purpose of ascertaining whether it would be advisable to have a car load of his stock shipped to this city for the convention date with a view of disposing of them, but after making the trip and finding conditions as they are the gentleman decided the time too short to get the stock in and in shape for sale at that time, therefore he has decided to get acquainted with the stockmen of the vicinity during his visit and hopes to bring some stock in this fall.
