LOCAL HAPPENINGS

C. V. Reed was in town during the week.

Sidney Comegys was among our visitors this week.

Homer Reer arrived home last Sunday from a business trip to Portland where he had been for a week.

Mrs. Frank Cawfield is over from the Harney on a visit with Dr. Brown and family and other relatives.

Rev. Father Francis will leave tomorrow afternoon for Baker where he goes for a conference with the Bishop.

Julien Hurley, candidate for joint senator for this district, was in town from Vale for a short time the other day.

Mr. and Mrs. Judd Wise were over from the P Ranch during the first of this week. Judd went back but Mrs. Wise remained for a few days visit with friends.

Tobe Duncan came in last Sunday night to spend a few weeks with his daughter, Mrs. Homer Reed. Mr. Duncan had spent the winter in southern California.

M. Saunders was in town this week accompanied by Mr. Wolters. Mr. Saunders reports his lambing increase as most satisfactory. He did not begin until the 5th of this month and is not through yet.

A. L. Hackney and family have gone to Nampa where they will make their home for the future. Mr. Hackney has not disposed of his residence property in this city and expects to be in this vicinity more or less.

W. P. Davidson of the Oregon & Western Colonization Co. and Frank Johnson arrived here Thursday night from Prineville and will remain until after the stock convention. They made several sales of land in this and Crook and the western part of this county since they were here a couple of weeks ago.

Fay Comegys and wife were in town during the week.

Born—This morning, May 22, to Mr. and Mrs. Joe Krumholz, a son.

Pat Donegan arrived home last Saturday evening from Andrews where he had been teaching school.

Miss Gladys Nicholson, one of the high school graduates, has accepted a position on the local switchboard of the telephone company.

John Kuhn and wife were here from their ranch home in the Suplex country during this week on business before the land office.

Mr. and Mrs. Simon Lewis are home from Hartland, Wash., the fore part of this week where they had been to attend the funeral of their niece, Miss Della Vanderpool.

E. J. Noble has been at the King hospital for the past few days. He recently suffered an attack of influenza and the after effects made it necessary that he come to town and secure the aid of a doctor. He is improving rapidly.

Mrs. Nell Smith and little son "Pat" took their departure the fore part of this week for Seattle where they go to visit Mrs. Smith's parents, Mr. and Mrs. A. E. Murphy. They will be absent for about a month but will be home for Chautauqua.

Roy Parker and his wife are at the home of Mrs. Della Volmer in this city. They had recently brought a number of their cattle from the vicinity of Paisley to the Wagontire range for the spring and summer and Mr. Parker took spotted fever and was brought to this city for medical treatment and nursing. He is doing as well as could be expected.

Herman Ruh was up from Lawen during the week and stated that Mrs. Ruh's health is some better but she is yet an invalid. Mr. Ruh was much interested in the Wilson irrigation plant story and asked about the authenticity of the cost of 50 cents per day. We find this paper either misquoted Mr. Whitney last week or otherwise made a mistake as Mr. Wilson states the cost is 50 cents an hour.

J. W. Davies is in town today on business.

Ed. Egil was over from the ranch the fore part of this week.

Mr. and Mrs. R. L. Hutton are in from their home at Wagontire today.

Born—Sunday, May 16, to Mr. and Mrs. Geo. Simmons, a daughter.

C. L. Sperling returned the fore part of this week from a visit to outside points.

O. O. Jetley has recovered from his recent illness sufficiently to go to his home yesterday.

Mrs. A. S. Swain has been up from the ranch during the week visiting with relatives and friends.

James McKeen, who resides on the Malheur River near Venator, being the new owner of the Vasher ranch, is in town today.

Dr. Smith operated upon Mrs. Zella Wood for gall stones at the King hospital Thursday afternoon. The patient is recovering nicely we are informed.

Paul Strange was here for a short visit during the week leaving last evening on his return to Okmulgee, Oklahoma. He had been up at Spokane on business and returned this way for a short visit with friends. His mother and younger brother are residing at present in Idaho, but Paul is looking after business affairs in Oklahoma.

Mrs. W. B. Johnson has been confined to a room in the St. Joseph Hospital for the past several days recovering from a general run down condition of her health. She is improving rapidly and expects to be able to be out at once. Mr. Johnson was here for most of the time but went out to the ranch yesterday to look over the place and to cast his vote at the primary election.

Gus Bardwell, W. W. Gould, Bart Siler, Sheriff Goodman and his wife, W. N. Monroe and others contemplate leaving tomorrow for Baker where they go to attend the Grand Lodge of the Odd Fellows. This meeting is scheduled for Wednesday of next week and had it not been for the big stock convention holding in Burns there would likely have been many Odd Fellows and Rebekahs made the trip.

Miss Howell, the community nurse has succeeded in getting over a portion of the county during the last couple of weeks, but has not visited as many places as was her desire as she is yet handicapped by an independent conveyance of her own. That is what she hopes to have in a short time when she can go where she desires and remain as long as she considers it necessary. She went to Catlow this week in company with L. E. McDaniel's county agent.

Mr. and Mrs. James J. Donegan and their daughter, Miss Carmen, will take their departure tomorrow for Portland where the young lady will become the bride of Nils Elfving during the coming week. Mr. Elfving will be remembered by many of the young people of this vicinity, as he was here for several months connected with the highway work. He is an ex-service man and a very jovial fellow who made friends here. His bride is a young lady of many charming qualities and one who has the esteem of a wide circle of young friends. She was born in this city and is a graduate of the high school. During the past winter she has been teaching on Otis creek near Drewsby. This paper certainly congratulates Mr. Elfving and wishes the young people a happy wedded life.

ST. JOSEPH HOSPITAL PROGRESSING

During the past two or three weeks citizens of this city have toured the county in the interest of the erection of St. Joseph Hospital with the result that a considerable amount has been contributed toward the erection of this most worthy institution. More funds are needed and will be gratefully received for this purpose and it should not be overlooked by those who inclined to contributing to charity. It is an institution needed by the entire county and one that will be found of inestimable good.

The ground has recently been cleared for the foundation of this edifice, a deep well has been sunk and an excellent flow of water secured. Max Seufert arrived here this week from Baker and will begin as one of the workmen of the stone work immediately.

Citizens should take an interest in this institution and keep it in mind.

Born—May 17, at Ontario, to Mr. and Mrs. Leslie Kelso, a daughter. Mrs. Kelso was formerly Miss Nina Baker, who resided here for years and who is a graduate of the Harney County High School.

Reduce Shoe Cost BY BUYING QUALITY

There is a difference in shoes. The shoe of quality looks good when you buy it, and retains the appearance of quality as long as you wear it.

The "cheap" shoe looks good when you buy it, is "rusty" in a short time, and a wreck long before you are ready to discard it.

That is the difference in shoes—and there is more difference in the shoe than there is in the price.

A GOOD shoe will last twice as long as a "cheap" one, and a GOOD shoe does NOT cost twice as much as a "cheap" one. Figure it out for yourself.

See us for GOOD shoes only—GOOD shoes at MODERATE prices.

Look at these styles. They are the season's best shoe values. We had a dozen lines to pick from. We want your permanent patronage so we chose these and other models in this sturdy, popular make.
