OUR BIRTHDAY PRESENT

THIS MONTH we are fifteen years old and have received the grandest of presents. We are proud of it not only because it is both beautiful and useful, but primarily because we can share it with our friends—all the people of Burns, residents and visitors. A beautiful BRONZE CLOCK. It is an emblem of life, ticking off the minutes as they pass. It will serve as a reminder of duties, engagements, and obligations. Every fifteen minutes its sweet-toned chimes will send forth a message of friendliness, cordiality, breathing the spirit of the institution represents. Every hour it will render those famous and sacred Westminster Chimes, the words to which invoke—

"Lord through this hour
Be thou our guide
So, by Thy power
No foot shall slide."

On and on through days to come we want this fine instrument to serve this community faithfully and efficiently as the institution behind it has served during the past fifteen years and will continue so to do,
