THE UNIVERSAL CAR

Reductions in Prices of Ford Products

The war is over and the war prices must go. Effective at once Ford Cars, Trucks and Tractors will be sold F. O. B. Detroit at the following prices:

	NEW PRICES	OLD PRICES
Touring car without starter	\$440	\$575
“ “ with starter	510	650
Roadster without starter	395	550
“ “ with starter	465	625
Coupe with starter and demountable rims,	745	850
Sedan “ “ “ “ “	795	975
Truck, Pneumatic Tires	545	640
Chassis	360	525
Fordson Tractor	790	850

The Ford Motor Company makes this reduction in the face of the fact that they have on hand immediate orders for 146,065 cars and Tractors. The company will suffer a temporary loss while using up the material got at high prices. They are willing to make the sacrifice in order to bring business back to a going condition as quickly as possible and maintain the momentum of the buying power of the country. Henry Ford says "The war is over and it is time the war prices are over." There is no sense in trying to maintain an artificial standard value. For the best interest of all it is time a real practical effort was made to bring the business of the country down to a regular pre war standard.

Following this suggestion the Burns Garage will make sweeping reductions *for cash* on a complete line of automobile supplies and accessories which includes

TIRES, GASOLINE AND OILS

This will be a bonifide sale and a guaranteed money saving proposition for you.

To those who have signed contracts for the purchase of cars, which have not been delivered, there will be a saving of many dollars.

Our policy of guaranteed work will be strictly followed out and we are at your command with regular Ford efficiency in service and eagerness to fill your orders.
